10026 - "Friday I'm In Love" by The Cure

LyricFind	Claude
-----------	--------

I don't care if Monday's blue  
Tuesday's grey and Wednesday too  
Thursday, I don't care about you  
It's Friday, I'm in love  
Monday you can fall apart  
Tuesday, Wednesday break my heart  
Oh, Thursday doesn't even start  
It's Friday, I'm in love

Saturday, wait  
And Sunday always comes too late  
But Friday, never hesitate

I don't care if Monday's black  
Tuesday, Wednesday, heart attack  
Thursday, never looking back  
It's Friday, I'm in love

Monday you can hold your head  
Tuesday, Wednesday, stay in bed  
Or Thursday watch the walls instead  
It's Friday, I'm in love

Saturday, wait  
And Sunday always comes too late  
But Friday, never hesitate

Dressed up to the eyes  
It's a wonderful surprise  
To see your shoes and your spirits rise  
Throw out your frown  
And just smile at the sound  
Sleek as a shriek, spinning round and round  
Always take a big bite  
It's such a gorgeous sight  
To see you eat in the middle of the night  
You can never get enough  
Enough of this stuff  
It's Friday, I'm in love

I don't care if Monday's blue  
Tuesday's grey and Wednesday too  
Thursday, I don't care about you  
It's Friday, I'm in love  
Monday you can fall apart  
Tuesday, Wednesday, break my heart  
Thursday doesn't even start  
It's Friday, I'm in love

I don't care if Monday's blue

Thursday I don't care about you  
It's Friday I'm in love

Monday you can fall apart  
Tuesday Wednesday break my heart  
Thursday doesn't even start  
It's Friday I'm in love

Saturday wait  
And Sunday always comes too late  
But Friday never hesitate...

I don't care if Monday's black  
Tuesday Wednesday heart attack  
Thursday never looking back  
It's Friday I'm in love

Monday you can hold your head  
Tuesday Wednesday stay in bed  
Or Thursday watch the walls instead

If I could fly so high.

A man in the coonskin cap, in the pig pen  
Wants eleven dollar bills, you only got ten

Maggie comes fleet foot  
Face full of black soot  
Talkin' that the heat put  
Plants in the bed but  
The phone's tapped anyway  
Maggie says that many say  
They must bust in early May  
Orders from the D.A., look out kid  
Don't matter what you did  
Walk on your tip toes  
Don't tie no bows  
Better stay away from those  
That carry around a fire hose  
Keep a clean nose  
Watch the plain clothes  
You don't need a weather man  
To know which way the wind blows

Oh, get sick, get well  
Hang around a ink well  
Hang bail, hard to tell  
If anything is goin' to sell  
Try hard, get barred  
Get back, write braille  
Get jailed, jump bail  
Join the army, if you fail  
Look out kid  
You're gonna get hit  
But losers, cheaters  
Six-time users  
Hangin' 'round the theaters  
Girl by the whirlpool  
Lookin' for a new fool  
Don't follow leaders, watch the parkin' meters

Oh, get born, keep warm  
Short pants, romance  
Learn to dance, get dressed, get blessed  
Try to be a success  
Please her, please him, buy gifts

<p>If I could turn the page  In time then I'd rearrange  Just a day or two  Close my, close my, close my eyes</p> <p>But I couldn't find a way  So I'll settle for one day  To believe in you  Tell me, tell me, tell me lies</p> <p>Tell me lies</p>	<p>Verse 1:  If I could turn the page  In time then I'd rearrange  Just a day or two  Close my, close my, close my eyes</p> <p>Chorus:  But I can't find a way  So I'll settle for one day  To believe in this living  Just little lies, just little lies</p> <p>Verse 2:</p>

Tell me sweet little lies  
(Tell me lies, tell me, tell me lies)  
Oh, no, no, you can't disguise  
(You can't disguise, no, you can't disguise)

Tell me lies  
Tell me sweet little lies

Although I'm not making plans  
I hope that you understand  
There's a reason why  
Close your, close your, close your eyes

No more broken hearts  
We're better off apart  
Let's give it a try  
Tell me, tell me, tell me lies

Tell me lies  
Tell me sweet little lies  
(Tell me lies, tell me, tell me lies)  
Oh, no, no, you can't disguise  
(You can't disguise, no, you can't disguise)  
Tell me lies  
Tell me sweet little lies

If I could turn the page  
In time then I'd rearrange  
Just a day or two  
Close my, close my, close my eyes

But I couldn't find a way  
So I'll settle for one day  
To believe in you  
Tell me, tell me, tell me lies

Tell me lies  
Tell me sweet little lies  
(Tell me lies, tell me, tell me lies)

Although I'm not making plans  
I hope that you understand there's a reason

No more broken hearts  
We're better off apart  
Let's give it a try  
Tell me, tell me, tell me lies

Tell me lies  
Tell me sweet little lies

Robbie Patton, and released in 1987. It's one of

You can tell my arms go back into the farm  
Or you can tell my feet to hit the floor  
Or you can tell my lips to tell my fingertips  
They won't be reaching out for you no more

But don't tell my heart  
My achy breaky heart  
I just don't think he'd understand  
And if you tell my heart  
My achy breaky heart  
He might blow up and kill this man  
Ooh

You can tell your ma I moved to Arkansas  
Or you can tell your dog to bite my leg  
Or tell your brother Cliff whose fist can tell my  
lip

He never really liked me anyway

Or tell your Aunt Louise, tell anything you

Myself already knows I'm not okay  
Or you can tell my eyes to watch out for my

It might be walking out on me today

me

I can barely recall

But it's all coming back to me now

But it's all coming back

There were those empty threats and hollow lies

And whenever you try to hurt me

I just hurt you even worse and so much deeper

There were hours that just went on for days

When alone at last we'd count up all the  
chances

That were lost to us forever (forever)

But you were history with the slamming of the  
door

And I made myself so strong again somehow

And I never wasted any of my time on you since  
then

But if I touch you like this

And if you kiss me like that

It was so long ago but it's all coming back to me

If you touch me like this

And if I kiss you like that

It was gone with the wind

But it's all coming back to me

It's all coming back, it's all coming back to me  
now

There were moments of gold

And there were flashes of light

There were things we'd never do again

But then they'd always seemed right

There were nights of endless pleasure

It was more than all your laws allow

Baby, baby, baby

When you touch me like this

And when you hold me like that

It was gone with the wind but it's all coming

When you see me like this

And when I see you like that

Then we see what we want to see all coming

Stop all the rivers  
Push, strike, and kill  
I'm not gonna leave you

Belong to Me I Believe"

And someone says, "You're in the wrong place,  
my friend, you'd better leave"

And the only sound that's left after the  
ambulances go  
Is Cinderella sweeping up on Desolation Row

Now the moon is almost hidden, the stars are  
beginning to hide  
The fortune telling lady has even taken all her  
things inside

All except for Cain and Abel and the hunchback  
of Notre Dame  
Everybody is making love or else expecting rain

And the Good Samaritan, he's dressing, he's  
getting ready for the show  
He's going to the carnival tonight on Desolation  
Row

Ophelia, she's 'neath the window for her I feel  
so afraid  
On her twenty-second birthday she already is  
an old maid

To her, death is quite romantic she wears an  
iron vest  
Her profession's her religion, her sin is her  
lifelessness

And though her eyes are fixed upon Noah's  
great rainbow  
She spends her time peeking into Desolation  
Row

Einstein, disguised as Robin Hood with his  
memories in a trunk  
Passed this way an hour ago with his friend, a  
jealous monk

Now he looked so immaculately frightful as he  
bummed a cigarette  
And he when off sniffing drainpipes and  
reciting the alphabet

"You Belong to Me I Believe"

And someone says, "You're in the wrong place  
my friend  
You better leave"

And the only sound that's left  
After the ambulances go  
Is Cinderella sweeping up  
On Desolation Row

Then he went off sniffing drainpipes  
And reciting the alphabet

You would not think to look at him, but he was famous long ago  
For playing the electric violin on Desolation Row

Dr. Filth, he keeps his world inside of a leather cup  
But all his sexless patients, they're trying to blow it up  
Now his nurse, some local loser, she's in charge of the cyanide hole  
And she also keeps the cards that read, "Have Mercy on His Soul"  
They all play on the penny whistles, you can hear them blow  
If you lean your head out far enough from Desolation Row

Across the street they've nailed the curtains, they're getting ready for the feast  
The Phantom of the Opera in a perfect image of a priest  
They are spoon feeding Casanova to get him to feel more assured  
Then they'll kill him with self-confidence after poisoning him with words  
And the Phantom's shouting to skinny girls, "Get outta here if you don't know"  
Casanova is just being punished for going to Desolation Row"

At midnight all the agents and the superhuman crew  
Come out and round up everyone that knows more than they do  
Then they bring them to the factory where the heart-attack machine  
Is strapped across their shoulders and then the kerosene  
Is brought down from the castles by insurance men who go  
Check to see that nobody is escaping to Desolation Row

Praise be to Nero's Neptune, the Titanic sails at dawn  
Everybody's shouting, "Which side are you on?!"

Now you would not think to look at him  
But he was famous long ago  
For playing the electric violin  
On Desolation Row

<p>And Ezra Pound and T.S. Eliot fighting in the captain's tower While calypso singers laugh at them and fishermen hold flowers Between the windows of the sea where lovely mermaids flow And nobody has to think too much about Desolation Row</p> <p>Yes, I received your letter yesterday, about the time the doorknob broke When you asked me how I was doing, was that some kind of joke All these people that you mention, yes, I know them, they're quite lame I had to rearrange their faces and give them all another name Right now, I can't read too good, don't send me no more letters no Not unless you mail them from Desolation Row</p>

But we're gonna start by  
Drinkin' old cheap bottles of wine  
Shit talkin' up all night  
Sayin' things we haven't for a while, a while,

Even after all these years

For the first time

Ooh  
Ooh  
Ooh

She's in line at the dole with her head held high  
While I just lost my job but didn't lose my pride

would

Retrace every wrong move that I made I would

If I could stand up and take the blame I would

If I could take all the shame to the grave I

would

If I could change I would take back the pain I

would

Retrace every wrong move that I made I would

If I could stand up and take the blame I would

I would take all the shame to the grave

It's easier to run

Replacing this pain with something numb

It's so much easier to go

Than face all this pain here all alone

Sometimes I remember the darkness of my past

Bringing back these memories I wish I didn't

have

Sometimes I think of letting go and never

looking back

And never moving forward so there'd never be

a past

If I could change I would take back the pain I

would

Retrace every wrong move that I made I would

If I could stand up and take the blame I would

If I could take all the shame to the grave I

would

If I could change I would take back the pain I

would

Retrace every wrong move that I made I would

If I could stand up and take the blame I would

I would take all the shame to the grave

Just washing it aside

All of the helplessness inside

Pretending I don't feel misplaced

Is so much simpler than change

It's easier to run

Replacing this pain with something numb

It's so much easier to go

Than face all this pain here all alone

It's easier to run

If I could change I would take back the pain I

(Chorus)

It's easier to run

Replacing this pain with something numb

It's so much easier to go

Than face all this pain here all alone

Sometimes I remember the darkness of my past

Bringing back these memories I wish I didn't

have

Sometimes I think of letting go and never

looking back

And never moving forward so there'd never be

a past

(Chorus)

It's easier to run

Replacing this pain with something numb

It's so much easier to go

Than face all this pain here all alone

Just washing it aside

All of the helplessness inside

Pretending I don't feel misplaced

It's so much simpler than change

(Chorus)

It's easier to run

Replacing this pain with something numb

It's so much easier to go

Than face all this pain here all alone

It's easier to run

It's easier to run

<p>would  Retrace every wrong move that I made  It's easier to go  If I could change I would take back the pain I  would  Retrace every wrong move that I made I would  If I could stand up and take the blame I would  I would take all the shame to the grave</p>

never forget  
 No matter how many lives I live I will never regret  
 There is a fire inside of this heart and a riot about to explode into flames  
 Where is your God? Where is your God?  
 Where is your God?

Do you really want? Do you really want me?  
 Do you really want me dead or alive to torture for my sins?  
 Do you really want?  
 Do you really want me?  
 Do you really want me dead or alive to live a lie?

Tell me, would you kill to save a life?  
 Tell me, would you kill to prove you're right?  
 Crash, crash  
 Burn, let it all burn  
 This hurricane's chasing us all underground

The promises we made were not enough  
 (never playing the game again)  
 The prayers that we had prayed were like a drug (never gonna end me, yeah)  
 The secrets that we sold were never known  
 (never sing a song)  
 The love we had, the love we had  
 We had to let it go

(Never giving in, again)  
 (Never giving in, again)

Tell me, would you kill to save a life?  
 Tell me, would you kill to prove you're right?  
 Crash, crash  
 Burn, let it all burn  
 This hurricane's chasing us all underground

This hurricane  
 Oh, oh, oh-oh  
 This hurricane  
 Oh, oh, oh-oh  
 This hurricane  
 Oh, oh, oh-oh

Do you really want? Do you really want me?

You said you'll never be forgiven till your boys  
are too  
And I'm still waking every morning but it's not  
with you

You're dripping like a saturated sunrise  
You're spilling like an overflowing sink  
You're ripped at every edge but you're a  
masterpiece  
And now you're tearing through the pages and  
the ink

Everything is blue  
His pills, his hands, his jeans  
And now I'm covered in the colors pulled apart  
at the seams  
And it's blue  
And it's blue

Everything is grey  
His hair, his smoke, his dreams  
And now he's so devoid of color  
He don't know what it means  
And he's blue  
And he's blue

You were red, and you liked me because I was  
blue  
But you touched me, and suddenly I was a lilac  
sky  
Then you decided purple just wasn't for you

Everything is blue  
His pills, his hands, his jeans  
And now I'm covered in the colors pulled apart  
at the seams  
And it's blue  
And it's blue

Everything is grey  
His hair, his smoke, his dreams  
And now he's so devoid of color  
He don't know what it means  
And he's blue  
And he's blue

Everything is blue, everything is blue  
Everything is blue, everything is blue

Bridge:

You were red, and you liked me because I was  
blue  
But you touched me, and suddenly I was a lilac  
sky  
Then you decided purple just wasn't for you

Chorus:

Everything is blue  
His pills, his hands, his jeans  
And now I'm covered in the colors  
Pulled apart at the seams  
And it's blue  
And it's blue

10288 - "Remember The Name" by Fort Minor

LyricFind	Claude
You ready?! Let's go!	[Verse 1] You ready?! Let's go!

Yeah, for those of you that wanna know what  
we're all about  
It's like this y'all (c'mon)  
This is ten percent luck  
Twenty percent skill  
Fifteen percent concentrated power of will  
Five percent pleasure  
Fifty percent pain  
And a hundred percent reason to remember  
the name

He doesn't need his name up in lights  
He just wants to be heard whether it's the beat  
or the mic  
He feels so unlike everybody else, alone  
In spite of the fact that some people still think  
that they know him  
But fuck 'em, he knows the code, it's not about  
the salary  
It's about reality and making some noise  
Making a story, making sure his clique stays up  
That means when he puts it down, Tak's pickin'  
it up

Who the hell is he anyway, he never really talks  
much  
Never concerned with status but still leavin'  
them star struck  
Humbled through opportunities given despite  
the fact  
That many misjudge him because he makes a  
livin' from writing raps  
Put it together himself, now the picture  
connects  
Never asking for someone's help, or to get  
some respect  
He's only focused on what he wrote, his will is  
beyond reach  
And now it all unfolds, the skill of an artist

This is twenty percent skill, eighty percent beer  
Be a hundred percent clear 'cause Ryu is ill  
Who would've thought that he'd be the one to  
set the west in flames  
Then heard him wreckin' with The Crystal

Yeah, for those of you that want to know what  
we're all about  
It's like this y'all (c'mon!)  
This is ten percent luck, twenty percent skill

Be a hundred percent clear 'cause Ryu is ill  
Who would've thought that he'd be the one to

Then I heard him wreckin with The Crystal

Method, Name Of The Game

Came back, dropped Megadef, took 'em to church

I like bleach, man, Ryu had the stupidest verse  
This dude is the truth, now everybody be givin' him guest spots

His stock's through the roof; I heard he fuckin' with S-Dot

This is ten percent luck  
Twenty percent skill  
Fifteen percent concentrated power of will  
Five percent pleasure  
Fifty percent pain  
And a hundred percent reason to remember the name

They call him Ryu he's sick, and he's spittin' fire and Mike

Got him out the dryer he's hot, found him in Fort Minor with Tak

What a fuckin' nihilist porcupine; he's a prick; he's a cock

The type women want to be with and rappers hope he get shot

Eight years in the makin' patiently waitin' to blow

Now the record with Shinoda's takin' over the globe

He's got a partner in crime; his shit is equally dope

You won't believe the kind of shit that comes out of this kid's throat

He's not your every day on the block

He knows how to work with what he's got

Makin' his way to the top

He often gets a comment on his name

People keep asking him was it given at birth

Or does it stand for an acronym?

No, he's livin' proof that he rockin' the booth

He'll get you buzzin' quicker than a shot of vodka with juice

Him and his crew are known around as one of the best

Dedicated to what they do and give a hundred percent

Forget Mike, nobody really knows how or why

And he's spittin' fire with Mike

It's Iambic pentameter knockout

<p>Are you ready Steve? Uh-huh  Andy? Yeah</p>	

Mick? Okay

Alright fellas, let's go

Oh it's been getting so hard  
Living with the things you do to me, uh huh  
My dreams are getting so strange  
I'd like to tell you everything I see

Oh, I see a man at the back as a matter of fact  
His eyes are as red as the sun  
And the girl in the corner let no one ignore her  
'Cause she thinks she's the passionate one

Oh yeah, it was like lightning  
Everybody was frightening  
And the music was soothing  
And they all started grooving

Yeah, yeah-yeah-yeah-yeah  
And the man in the back said everyone attack  
And it turned into a ballroom blitz  
And the girl in the corner said boy I want to  
warn you  
It'll turn into a ballroom blitz  
Ballroom blitz, ballroom blitz  
Ballroom blitz, ballroom blitz

I'm reaching out for something  
Touching nothing's all I ever do  
Oh I softly call you over  
When you appear there's nothing left of you, uh  
huh

And the man in the back is ready to crack  
As he raises his hands to the sky  
And the girl in the corner is everyone's  
mourner  
She could kill you with a wink of her eye

Oh yeah it was electric  
So perfectly hectic  
And the band started leaving  
'Cause they all stopped breathing

Yeah, yeah-yeah-yeah  
And the man in the back said everyone attack  
And it turned into a ballroom blitz  
And the girl in the corner said boy I want to

Oh it's been getting so hard  
Livin' with the things you do to me, aha  
Oh my dreams are getting so strange  
I'd like to tell you everything I see

Oh, I see a man at the back as a matter of fact  
His eyes are red as the sun  
And a girl in the corner let no one ignore her  
'Cause she thinks she's the passionate one

Oh, yeah, it was like lightning, everybody was  
frightening  
And the music was soothing, and they all  
started grooving  
Yeah, Yeah, Yeah, Yeah, Yeah

And the man in the back said everyone attack  
And it turned into a ballroom blitz  
And the girl in the corner said boy I want to  
warn you  
It'll turn into a ballroom blitz

Ballroom blitz, ballroom blitz, ballroom blitz,

10331 - "Leave Out All the Rest" by Linkin Park

LyricFind	Claude
I dreamed I was missing	<p>Verse 1:</p> <p>I dreamed I was missing</p>

You were so scared  
But no one would listen  
'Cause no one else cared

After my dreaming  
I woke with this fear  
What am I leaving  
When I'm done here?

So, if you're asking me, I want you to know

When my time comes  
Forget the wrong that I've done  
Help me leave behind some reasons to be  
missed

And don't resent me  
And when you're feeling empty  
Keep me in your memory  
Leave out all the rest  
Leave out all the rest

Don't be afraid  
I've taken my beating  
I've shared what I've made

I'm strong on the surface  
Not all the way through  
I've never been perfect  
But neither have you

So, if you're asking me, I want you to know

When my time comes  
Forget the wrong that I've done  
Help me leave behind some reasons to be  
missed

And don't resent me  
And when you're feeling empty

You were so scared  
But no one would listen  
Cause no one else cared

Chorus:

After my dreaming  
I woke with this fear  
What am I leaving  
When I'm done here

Verse 2:

So if you're asking me  
I want you to know  
When my time comes  
Forget the wrong that I've done  
Help me leave behind some  
Reasons to be missed

Chorus:

And don't resent me  
And when you're feeling empty  
Keep me in your memory  
Leave out all the rest  
Leave out all the rest

Bridge:

Don't be afraid  
I've taken my beating  
I've shed but I'm me

Chorus:

I'm strong on the surface  
Not all the way through  
I've never been perfect  
But neither have you

Verse 3:

So if you're asking me  
I want you to know  
When my time comes  
Forget the wrong that I've done  
Help me leave behind some  
Reasons to be missed

Chorus:

Don't resent me  
And when you're feeling empty  
Keep me in your memory  
Leave out all the rest

<p>Keep me in your memory  Leave out all the rest  Leave out all the rest</p> <p>Forgetting  All the hurt inside you've learned to hide so well  Pretending  Someone else can come and save me from myself  I can't be who you are</p> <p>When my time comes  Forget the wrong that I've done  Help me leave behind some reasons to be missed  And don't resent me  And when you're feeling empty  Keep me in your memory  Leave out all the rest  Leave out all the rest</p> <p>Forgetting  All the hurt inside you've learned to hide so well  Pretending  Someone else can come and save me from myself  I can't be who you are  I can't be who you are</p>	<p>Leave out all the rest</p> <p>For me  For me  For me</p>

Decide to walk with me  
Around the lake tonight  
Around the lake tonight  
By my side  
By my side  
I'm not gonna lie  
I'll not be a gentleman  
Behind the boathouse  
I'll show you my dark secret  
I'm not gonna lie  
I want you for mine  
My blushing bride  
My lover, be my lover, yeah

Don't be afraid  
I didn't mean to scare you  
So help me, Jesus  
I can promise you  
You'll stay as beautiful  
With dark hair  
And soft skin, forever

And oh we started  
Two hearts in one home  
It's hard when we argue  
We're both stubborn  
I know, but oh

Sweet creature, sweet creature  
Wherever I go, you bring me home  
Sweet creature, sweet creature  
When I run out of road, you bring me home

Sweet creature  
We're running through the garden  
Oh, where nothing bothered us  
But we're still young  
I always think about you and how we don't  
speak enough

And oh we started  
Two hearts in one home  
I know, it's hard when we argue  
We're both stubborn  
I know, but oh

Sweet creature, sweet creature  
Wherever I go, you bring me home  
Sweet creature, sweet creature  
When I run out of road, you bring me home

I know when we started  
Just two hearts in one home  
It gets harder when we argue  
We're both stubborn  
I know, but oh

Sweet creature, sweet creature  
Wherever I go, you bring me home  
Sweet creature, sweet creature  
When I run out of road, you bring me home  
You'll bring me home

<p>Well, it's not far down to paradise  At least it's not for me  And if the wind is right you can sail away  And find tranquility</p>	<p>Well, it's not far down to paradise, at least it's not for me  And if the wind is right you can sail away and find tranquility</p>

Oh, the canvas can do miracles  
Just you wait and see, believe me

It's not far to never-never land  
No reason to pretend  
And if the wind is right you can find the joy  
Of innocence again  
Oh, the canvas can do miracles  
Just you wait and see, believe me

Sailing  
Takes me away to where I've always heard it  
could be  
Just a dream and the wind to carry me  
Soon I will be free

Fantasy  
It gets the best of me  
When I'm sailing

All caught up in the reverie  
Every word is a symphony  
Won't you believe me?

Sailing  
Takes me away to where I've always heard it  
could be  
Just a dream and the wind to carry me  
And soon I will be free

Well, it's not far back to sanity  
At least it's not for me  
And if the wind is right you can sail away  
And find serenity  
Oh, the canvas can do miracles  
Just you wait and see, really, believe me

Sailing  
Takes me away to where I've always heard it

You both kicked off your shoes. Man, I dig those rhythm and blues.</p> <p>I was a lonely teenage broncin' buck With a pink carnation and a pickup truck,</p>

But I knew I was out of luck  
The day the music died  
I started singin'

Bye, bye Miss American Pie  
Drove my Chevy to the levee but the levee was dry  
Them good ole boys were drinking whiskey and rye  
And singin' this'll be the day that I die  
This'll be the day that I die

Now, for ten years we've been on our own  
And moss grows fat on a rolling stone  
But, that's not how it used to be  
When the jester sang for the king and queen  
In a coat he borrowed from James Dean  
And a voice that came from you and me

Oh, and while the king was looking down  
The jester stole his thorny crown  
The courtroom was adjourned  
No verdict was returned  
And while **Lennon** read a book **on** Marx  
The quartet practiced in the park  
And we sang dirges in the dark  
The day the music died  
We were singin'

Bye, bye Miss American Pie  
Drove my Chevy to the levee but the levee was dry  
Them good ole boys were drinking whiskey and rye  
And singin' this'll be the day that I die  
This'll be the day that I die

Helter skelter in a summer swelter  
The birds flew off with a fallout shelter  
Eight miles high and falling fast  
It landed foul on the grass  
The players tried for a forward pass  
With the jester on the sidelines in a cast

Now the half-time air was sweet perfume  
While the sergeants played a marching tune  
We all got up to dance  
Oh, but we never got the chance  
'Cause the players tried to take the field

But I knew I was out of luck  
The day the music died.

[Chorus]

Now, for ten years we've been on our own  
And moss grows fat on a rollin' stone,  
But that's not how it used to be.  
When the jester sang for the king and queen,  
In a coat he borrowed from James Dean  
And a voice that came from you and me,

Oh, and while the king was looking down,  
The jester stole his thorny crown,  
The courtroom was adjourned,  
No verdict was returned.  
And while **Lenin** read a book **of** Marx,  
The quartet practiced in the park,  
And we sang dirges in the dark  
The day the music died.

[Chorus]

Helter skelter in a summer swelter,  
The birds flew off with a fallout shelter,  
Eight miles high and falling fast.  
It landed foul on the grass.  
The players tried for a forward pass,  
With the jester on the sidelines in a cast.

Now the halftime air was sweet perfume  
While the sergeants played a marching tune.  
We all got up to dance,  
Oh, but we never got the chance!  
'Cause the players tried to take the field;

The marching band refused to yield  
Do you recall what was revealed  
The day the music died?  
We started singin'

Bye, bye Miss American Pie  
Drove my Chevy to the levee but the levee was dry  
Them good ole boys were drinking whiskey  
and rye  
And singin' this'll be the day that I die  
This'll be the day that I die

Oh, and there we were all in one place  
A generation lost in space  
With no time left to start again  
So come on, Jack be nimble, Jack be quick  
Jack Flash sat on a candlestick  
Cause fire is the devil's only friend

Oh, and as I watched him on the stage  
My hands were clenched in fists of rage  
No angel born in Hell  
Could break that Satan's spell  
And as the flames climbed high into the night  
To light the sacrificial rite  
I saw Satan laughing with delight  
The day the music died  
He was singin'

Bye, bye Miss American Pie  
Drove my Chevy to the levee but the levee was dry

Them good ole boys were drinking whiskey  
and rye  
Singin' this'll be the day that I die  
This'll be the day that I die

I met a girl who sang the blues  
And I asked her for some happy news  
But she just smiled and turned away

I went down to the sacred store  
Where I'd heard the music years before  
But the man there said the music wouldn't play

And in the streets the children screamed  
The lovers cried, and the poets dreamed

The marching band refused to yield.  
Do you recall what was revealed  
The day the music died?

[Chorus]

Oh, and there we were all in one place,  
A generation lost in space  
With no time left to start again,  
So come on, Jack be nimble, Jack be quick!  
Jack flash sat on a candlestick  
Cause fire is the devil's only friend.

Oh, and as I watched him on the stage  
My hands were clenched in fists of rage.  
No angel born in hell  
Could break that Satan's spell.  
And as the flames climbed high into the night  
To light the sacrificial rite,

One more person crying

So don't fear if you hear  
A foreign sound to your ear  
It's alright, Ma, I'm only sighing

As some warn victory, some downfall  
Private reasons great or small  
Can be seen in the eyes of those that call  
To make all that should be killed to crawl  
While others say don't hate nothing at all  
Except hatred

Disillusioned words like bullets bark  
As human gods aim for their mark  
Made everything from toy guns that spark  
To flesh-colored Christs that glow in the dark  
It's easy to see without looking too far  
That not much is really sacred

While preachers preach of evil fates  
Teachers teach that knowledge waits  
Can lead to hundred-dollar plates  
Goodness hides behind its gates  
But even the president of the United States  
Sometimes must have to stand naked

An' though the rules of the road have been  
lodged  
It's only people's games that you got to dodge  
And it's alright, Ma, I can make it

Advertising signs that con you  
Into thinking you're the one  
That can do what's never been done  
That can win what's never been won  
Meantime life outside goes on  
All around you

You lose yourself, you reappear  
You suddenly find you got nothing to fear  
Alone you stand with nobody near  
When a trembling distant voice, unclear  
Startles your sleeping ears to hear  
That somebody thinks they really found you

A question in your nerves is lit  
Yet you know there is no answer fit to satisfy  
Insure you not to quit

Person crying.

So don't fear if you hear  
A foreign sound to your ear  
It's alright, Ma, I'm only sighing.

As some warn victory, some downfall  
Private reasons great or small  
Can be seen in the eyes of those that call  
To make all that should be killed to crawl

While preachers preach of evil fates  
Teachers teach that knowledge waits  
Can lead to hundred-dollar plates  
Goodness hides behind its gates  
But even the president of the United States  
Sometimes must have to stand naked.

To keep it in your mind and not fergit  
That it is not he or she or them or it  
That you belong to

Although the masters make the rules  
For the wise men and the fools  
I got nothing, Ma, to live up to

For them that must obey authority  
That they do not respect in any degree  
Who despise their jobs, their destinies  
Speak jealously of them that are free  
Do what they do just to be nothing more than  
something they invest in

While some on principles baptized  
To strict party platform ties  
Social clubs in drag disguise  
Outsiders they can freely criticize  
Tell nothing except who to idolize  
And then say God bless him

While one who sings with his tongue on fire  
Gargles in the rat race choir  
Bent out of shape from society's pliers  
Cares not to come up any higher  
But rather get you down in the hole that he's in

But I mean no harm nor put fault  
On anyone that lives in a vault  
But it's alright, Ma, if I can't please him

Old lady judges watch people in pairs  
Limited in sex, they dare  
To push fake morals, insult and stare  
While money doesn't talk, it swears  
Obscenity, who really cares  
Propaganda, all is phony

While them that defend what they cannot see  
With a killer's pride, security  
It blows the minds most bitterly  
For them that think death's honesty  
Won't fall upon them naturally  
Life sometimes must get lonely

My eyes collide head-on with stuffed  
graveyards  
False gods, I scuff

<p>At pettiness which plays so rough Walk upside-down inside handcuffs Kick my legs to crash it off Say okay, I have had enough What else can you show me</p> <p>And if my thought-dreams could be seen They'd probably put my head in a guillotine But it's alright, Ma, it's life, and life only</p>	<p>It's alright, Ma, it's life, and life only.</p>

Poisoned in the bushes an' blown out on the trail

Hunted like a crocodile, ravaged in the corn

Come in, she said

I'll give ya shelter from the storm

Suddenly I turned around and she was standin' there

With silver bracelets on her wrists and flowers in her hair

She walked up to me so gracefully and took my crown of thorns

Come in, she said

I'll give ya shelter from the storm

Now there's a wall between us, somethin' there's been lost

I took too much for granted, I got my signals crossed

Just to think that it all began on an uneventful morn

Come in, she said

I'll give ya shelter from the storm

Well, the deputy walks on hard nails and the preacher rides a mount

But nothing really matters much, it's doom alone that counts

And the one-eyed undertaker, he blows a futile horn

Come in, she said

I'll give ya shelter from the storm

I've heard newborn babies wailin' like a mournin' dove

And old men with broken teeth stranded without love

Do I understand your question, man, is it hopeless and forlorn

Come in, she said

I'll give ya shelter from the storm

In a little hilltop village, they gambled for my clothes

I bargained for salvation and she gave me a lethal dose

I offered up my innocence I got repaid with scorn

Come in, she said

Poisoned in the bushes an' blown out on the trail

Hunted like a crocodile, ravaged in the corn

"Come in," she said, "I'll give you shelter from the storm."

Suddenly I turned around and she was standin' there

I took too much for granted, got my signals crossed

Just to think that it all began on a long-forgotten morn

"Come in," she said, "I'll give you shelter from the storm."

<p>I'll give ya shelter from the storm</p> <p>Well, I'm livin' in a foreign country but I'm bound to cross the line Beauty walks a razor's edge, someday I'll make it mine If I could only turn back the clock to when God and her were born Come in, she said I'll give ya shelter from the storm</p>

LyricFind	Claude
Just a young gun with the quick fuse	Verse 1: Just a young gun with a quick fuse

I was uptight, wanna let loose  
I was dreaming of bigger things  
And wanna leave my own life behind

Not a yes sir, not a follower  
Fit the box, fit the mold  
Have a seat in the foyer, take a number  
I was lightning before the thunder

Thunder, thunder  
Thunder, thun', thunder  
Thun-thun-thunder, thunder, thunder  
Thunder, thun', thunder  
Thun-thun-thunder, thunder

Thunder, feel the thunder  
Lightning then the thunder  
Thunder, feel the thunder  
Lightning then the thunder  
Thunder, thunder  
Thunder

Kids were laughing in my classes  
While I was scheming for the masses  
Who do you think you are?  
Dreaming 'bout being a big star

They say you're basic, they say you're easy  
You're always riding in the back seat  
Now I'm smiling from the stage while  
You were clapping in the nose bleeds

to do  
And I would gladly hit the road, get up and go if  
I knew  
That someday it would lead me back to you  
That someday it would lead me back to you  
(someday)

That may be all I'll need (all I need)  
In darkness, she is all I see (all I see)  
Come and rest your bones with me  
Driving slow on Sunday morning  
And I never want to leave

Fingers trace your every outline  
Paint a picture with my hands  
Back and forth we sway like branches in a  
storm  
Change the weather, still together when it ends

That may be all I'll need  
In darkness, she is all I see  
Come and rest your bones with me  
Driving slow on Sunday morning  
And I never want to leave, yeah

Oh, ah yeah  
But things just get so crazy, living life gets hard  
to do  
Sunday morning, rain is falling and I'm calling  
out to you  
Singing, someday it'll bring me back to you  
Find a way to bring myself back home to you

You may not know that may be all I'll need

As you stare into the vacuum of his eyes  
And **say** do you want to make a deal?

How does it feel, **how does it feel?**  
**To be on your own, with no direction home**  
**A complete unknown, like a rolling stone**

**Ah** you never turned around to see the frowns  
On the jugglers and the clowns when they all  
did tricks for you  
You never understood that it ain't no good  
You shouldn't let other people get your kicks  
for you

You used to ride on a chrome horse with your  
diplomat  
Who carried on his shoulder a Siamese cat  
Ain't it hard when you **discovered** that  
He really wasn't where it's at  
After he took from you everything he could  
steal

How does it feel, how does it feel?  
To be on your own, with no direction home  
Like a complete unknown, like a rolling stone

Ahh princess on a steeple and all the pretty  
people  
They're all drinking, thinking that they've got it  
made  
Exchanging all precious gifts  
But you better take your diamond ring, you  
better pawn it babe  
You used to be so amused  
At Napoleon in rags and the language that he  
used  
Go to him he calls you, you can't refuse  
When you ain't got nothing, you got nothing to  
lose  
You're invisible now, you've got no secrets to  
conceal

How does it feel, ah how does it feel?  
To be on your own, with no direction home  
Like a complete unknown, like a rolling stone

As you stare into the vacuum of his eyes  
And **ask him** do you want to make a deal?

How does it feel...

**You** never turned around to see the frowns  
On the jugglers and the clowns when they all  
did tricks for you  
You never understood that it ain't no good  
You shouldn't let other people get your kicks

10522 - "She Believes In Me" by Kenny Rogers

LyricFind

Claude

While she lays sleeping, I stay out late at night  
and play my songs  
And sometimes all the nights can be so long  
And it's good when I finally make it home, all  
alone  
While she lays dreaming, I try to get undressed  
without the light  
And quietly she says how was your night?  
And I come to her and say, it was all right, and I  
hold her tight

And she believes in me, I'll never know just  
what she sees in me  
I told her someday if she was my girl, I could  
change the world  
With my little songs, I was wrong  
But she has faith in me, and so I go on trying  
faithfully  
And who knows maybe on some special night,  
if my song is right  
I will find a way, find a way

While she lays waiting, I stumble to the kitchen  
for a bite  
Then I see my old guitar in the night  
Just waiting for me like a secret friend, and  
there's no end  
While she lays crying, I fumble with a melody  
or two  
And I'm torn between the things that I should  
do  
And she says to wake her up when I am  
through, God her love is true.

And she believes in me, I'll never know just  
what she sees in me  
I told her someday if she was my girl, I could  
change the world  
With my little songs, I was wrong

I find the light, and holding me so near  
And sweetly she says it's alright I'm here  
And I hold her tight

So many sleepless nights where you were waiting up on me Well I'm just a slave unto the night</p>	<p>Verse 1:</p> <p>I know I took the path that you would never want for me I know I let you down, didn't I? So many sleepless nights where you were waiting up on me Well I'm just a slave unto the night</p> <p>Chorus:</p>

Now remember when I told you that's the last  
you'll see of me  
Remember when I broke you down to tears  
I know I took the path that you would never  
want for me  
I gave you hell through all the years

So I, I bet my life, I bet my life  
I bet my life **for** you  
I, I bet my life, I bet my life  
I bet my life **for** you

I've been around the world and never in my  
wildest dreams  
Would I come running home to you  
I've told a million lies but now I tell a single  
truth  
There's you in everything I do

Now remember when I told you that's the last  
you'll see of me  
Remember when I broke you down to tears  
I know I took the path that you would never  
want for me  
I gave you hell through all the years

So I, I bet my life, I bet my life  
I bet my life **for** you  
I, I bet my life, I bet my life  
I bet my life **for** you

Don't tell me that I'm wrong  
I've walked that road before  
**And** left you on your own  
And please believe them when they say  
That it's left for yesterday  
And the records that I've played  
Please forgive me for **all I've done**

**So** I, I bet my life, I bet my life  
I bet my life **for** you

Now remember when I told you that's the last  
you'll see of me  
Remember when I broke you down to tears  
I know I took the path that you would never  
want for me  
I gave you hell through all the years

**Verse 2:**  
So I, I bet my life, I bet my life  
I bet my life **on** you  
I, I bet my life, I bet my life  
I bet my life **on** you

**Chorus:**  
I've been around the world and never in my  
wildest dreams  
Would I come running home to you  
I've told a million lies but now I tell a single  
truth  
There's you in everything I do

**Verse 3:**  
Now remember when I told you that's the last  
you'll see of me  
Remember when I broke you down to tears  
I know I took the path that you would never  
want for me  
I gave you hell through all the years

**Chorus:**  
So I, I bet my life, I bet my life  
I bet my life **on** you  
I, I bet my life, I bet my life  
I bet my life **on** you

**Bridge:**  
Don't tell me that I'm wrong  
I've walked that road before  
**I** left you on your own  
And please believe them when they say  
That it's left for yesterday  
And the records that I've played  
Please forgive me for **the smile on my face**  
I bet my life  
I bet my life on you

**Chorus:**  
I, I bet my life, I bet my life  
I bet my life **on** you

Hello	<p>But I couldn't wait</p> <p>To tell you that I think about you  When the night is here  With no one near and the moon shines through  I think about you  'Cause I still miss you.</p>

10611 - "Reeling in the Years" by Steely Dan

LyricFind	Claude
-----------	--------

Your everlasting summer  
You can see it fading fast  
So you grab a piece of something  
That you think is gonna last  
Well you wouldn't even know a diamond  
If you held it in your hand  
The things you think are precious  
I can't understand

Are you reelin' in the years  
Stowin' away the time  
Are you gatherin' up the tears  
Have you had enough of mine

Are you reelin' in the years  
Stowin' away the time  
Are you gatherin' up the tears  
Have you had enough of mine

You been tellin' me you're a genius  
Since you were seventeen  
In all the time I've known you  
I still don't know what you mean  
The weekend at the college  
Didn't turn out like you planned  
The things that pass for knowledge  
I can't understand

Are you reelin' in the years  
Stowin' away the time  
Are you gatherin' up the tears  
Have you had enough of mine

Are you reelin' in the years  
Stowin' away the time  
Are you gatherin' up the tears  
Have you had enough of mine

I spend a lot of money  
And I spent a lot of time  
The trip we made to Hollywood  
Is etched upon my mind  
After all the things we've done and seen  
You find another man  
The things you think are useless  
I can't understand

Your everlasting summer  
You can see it fading fast  
So you grab a piece of something  
That you think is gonna last

Well, you wouldn't even know a diamond  
If you held it in your hand  
The things you think are precious

It's all too much to take in  
 I can't hold on  
 To anything, watching everything spin  
 With thoughts of failure sinking in  
  
 If I turn my back I'm defenseless  
  
 And to go blindly seems senseless  
 If I hide my pride and let it all go on  
 Then they'll take from me 'til everything is  
 gone  
 If I let them go I'll be outdone  
 But if I try to catch them I'll be outrun  
 If I'm killed by the questions like a cancer  
 Then I'll be buried in the silence of the answer  
  
  
 By myself (myself)  
 I ask why, but in my mind find  
 I can't rely on myself (myself)  
 I ask why, but in my mind I find  
 I can't rely on myself  
  
 I can't hold on  
 To what I want when I'm stretched so thin  
 It's all too much to take in  
 I can't hold on  
 To anything, watching everything spin  
 With thoughts of failure sinking in  
  
 How do you think  
 I've lost so much?  
 I'm so afraid  
 I'm out of touch  
 How do you expect  
 I will know what to do  
 When all I know  
 Is what you tell me to  
  
 Don't you (know?)  
 I can't tell you how to make it (go)  
 No matter what I do, how hard I (try)  
 I can't seem to convince myself (why)  
 I'm stuck on the outside  
  
 Don't you (know?)  
 I can't tell you how to make it (go)

It's all too much to take in  
 I can't hold on  
 To anything, watching everything spin  
 With thoughts of failure sinking in  
  
 If I  
 Turn my back I'm defenseless  
 And to go blindly seems senseless  
 If I  
 Hide my pride and let them  
 Take advantage of my weakness  
  
 The only thing I know for real  
 There's a part of me that will not kneel  
 The only thing I know for real  
 There's a part of me that will not kneel  
  
 Myself

10639 - "Hurricane" by Bob Dylan

LyricFind	Claude
<p>Pistol shots ring out in the barroom night Enter Patty Valentine from the upper hall She sees a bartender in a pool of blood Cries out, "my God, they killed them all"</p> <p>Here comes the story of the Hurricane</p>	<p>Pistol shots ring out in the barroom night Enter Patty Valentine from the upper hall. She sees the bartender in a pool of blood, Cries out, "My God, they've killed them all!"</p> <p>Here comes the story of the Hurricane,</p>

The man the authorities came to blame  
For somethin' that he never done  
Put in a prison cell, but one time he **coulda**  
been  
The champion of the world

Three bodies lyin' there, does Patty see  
And another man named Bello, movin' around  
mysteriously  
"I didn't do it" he says, and he throws up his  
hands  
"I was only robbin' the register, I hope you  
understand"  
"I saw them leavin'" he says, and he stops  
"One of us had better call up the cops"  
And so Patty calls the cops  
And they arrive on the scene  
With their red lights flashin' in a hot New  
Jersey night  
Meanwhile, far away in another part of town  
Rubin Carter and a couple of friends are drivin'  
around  
Number one contender for the middleweight  
crown  
Had no idea what kinda shit was about to go  
down

When a cop pulled him over to the side of the  
road  
Just like the time before and the time before  
that  
In Paterson that's just the way things go  
If you're black you might as well not show up  
on the street  
'Less you **want to** draw the heat

Alfred Bello had a partner and he had a rap for  
the cops  
Him and Arthur Dexter Bradley were just out  
prowlin' around  
He said "I saw two men runnin' out, they  
looked like middleweights  
Jumped into a white car with out-of-state  
plates"  
And Miss Patty Valentine just nodded her head  
Cop said "Wait a minute, boys, this one's not  
dead"  
So they took him to the infirmary  
And though this man could hardly see

The man the authorities came to blame  
For somethin' that he never done,  
Put in a prison cell, but one time he **could-a**  
been  
The champion of the world.

Three bodies lyin' there, does Patty see  
And another man named Bello, movin' around  
mysteriously.  
"I didn't do it," he says, and he throws up his  
hands  
"I was only robbin' the register, I hope you

I saw them leavin'," he says, and he stops,  
"One of us had better call up the cops."  
And so Patty calls the cops and they arrive on  
the scene  
With their red lights flashin' in the hot New  
Jersey night.  
Meanwhile, far away in another part of town  
Rubin Carter and a couple of friends are drivin'  
around.  
Number one contender for the middleweight  
crown  
Had no idea what kinda shit was about to go  
down

When a cop pulled him over to the side of the  
road  
Just like the time before and the time before  
that.  
In Paterson that's just the way things go.  
If you're black you might as well not show up  
on the street  
'Less you **wanna** draw the heat.

They told him he could identify the guilty men

Four in the mornin' and they haul Rubin in  
They took him to the hospital and they brought  
him upstairs  
The wounded man looks up through his one  
dyin' eye  
Say "Why'd you bring him in here for? He ain't  
the guy"

Here's the story of the Hurricane  
The man the authorities came to blame  
For somethin' that he never done  
Put in a prison cell, but one time he coulda  
been  
The champion of the world

[Chorus]

Four months later, the ghettos are in flame  
Rubin's in South America, fightin' for his name  
While Arthur Dexter Bradley's still in the  
robbery game  
And the cops are puttin' the screws to him,  
lookin' for somebody to blame

"Remember that murder that happened in a  
bar?"  
"Remember you said you saw the getaway  
car?"  
"You think you'd like to play ball with the law?"  
"Think it mighta been that fighter that you saw  
runnin' that night?"  
"Don't forget that you are white"

Arthur Dexter Bradley said "I'm really not sure"  
The cops said "A poor boy like you, could use  
this break  
We got you for the motel job and we're talkin'  
to your friend Bello  
You don't want to have to go back to jail, be a  
nice fellow  
You'll be doin' society a favor  
That son of a bitch is brave and gettin' braver  
We want to put his ass in stir  
We want to pin this triple murder on him  
He ain't no Gentleman Jim"

Rubin could take a man out with just one punch  
But he never did like to talk about it all that  
much

"It's my work" he'd say, "and I do it for pay  
And when it's over I'd just as soon go on my  
way"

Up to some paradise  
Where the trout streams flow and the air is nice  
And ride a horse along a trail  
But then they took him to the jailhouse  
Where they try to turn a man into a mouse

All of Rubin's cards were marked in advance  
The trial was a pig-circus, he never had a  
chance  
The judge made Rubin's witnesses drunkards  
from the slums  
To the white folks who watched, he was a  
revolutionary bum

And for the black folks he was just a crazy  
nigger  
No one doubted that he pulled the trigger  
And though they could not produce the gun  
The D.A. said he was the one who did the deed  
And the all-white jury agreed

Rubin Carter was falsely tried  
The crime was murder one, guess who  
testified?  
Bello and Bradley and they both baldly lied  
And the newspapers, they all went along for the  
ride

How can the life of such a man  
Be in the palm of some fool's hand?  
To see him obviously framed  
Couldn't help but make me feel ashamed to live  
in a land  
Where justice is a game

Now all the criminals in their coats and their  
ties  
Are free to drink martinis and watch the sun  
rise  
While Rubin sits like Buddha in a ten-foot cell  
An innocent man in a living hell

Yes, that's the story of the Hurricane  
But it won't be over 'til they clear his name  
And give him back the time he's done

Put in a prison cell, but one time he coulda been The champion of the world

You want me to believe  
But I see through your eyes  
And I see through your brain  
Like I see through the water  
That runs down my drain

You fasten all the triggers  
For the others to fire  
Then you **sit** back and watch  
When the death count gets higher  
You hide in your mansion  
**While the** young people's blood  
Flows out of their bodies  
And is buried in the mud

You've thrown the worst fear  
That can ever be hurled  
Fear to bring children  
Into the world  
For threatening my baby  
Unborn and unnamed  
You ain't worth the blood  
That runs in your veins

How much do I know  
To talk out of turn  
You might say that I'm young  
You might say I'm unlearned  
But there's one thing I know  
Though I'm younger than you  
That even Jesus would never  
Forgive what you do

Let me ask you one question  
Is your money that good?  
Will it buy you forgiveness  
Do you think that it could?  
I think you will find  
When your death takes its toll  
All the money you made  
Will never buy back your soul

And I hope that you die  
And your death will come soon  
I'll follow your casket  
By the pale afternoon  
And I'll watch while you're lowered  
Down to your deathbed  
And I'll stand over your grave

You want me to believe  
But I see through your eyes  
And I see through your brain  
Like I see through the water  
That runs down my drain.

You fasten all the triggers  
For the others to fire  
Then you **set** back and watch  
When the death count gets higher  
You hide in your mansion  
**As** young people's blood  
Flows out of their bodies  
And is buried in the mud.

You've thrown the worst fear  
That can ever be hurled  
Fear to bring children  
Into the world  
For threatening my baby  
Unborn and unnamed  
You ain't worth the blood  
That runs in your veins.

How much do I know  
To talk out of turn  
You might say that I'm young  
You might say I'm unlearned  
But there's one thing I know  
Though I'm younger than you

Forgive what you do.

Let me ask you one question

10708 - "I Believe I Can Fly" by R. Kelly

LyricFind	Claude
I used to think that I could not go on And life was nothing but an awful song	

But now I know the meaning of true love  
I'm leaning on the everlasting arms

If I can see it, then I can do it  
If I just believe it, there's nothing to it

I believe I can fly  
I believe I can touch the sky  
I think about it every night and day (Night and day)  
Spread my wings and fly away

I believe I can soar  
I see me running through that open door  
I believe I can fly  
I believe I can fly  
I believe I can fly hoo

See I was on the verge of breaking down  
Sometimes silence can seem so loud  
There are miracles in life I must achieve  
But first I know it starts inside of me, ho oh

If I can see it hoo, then I can be it  
If I just believe it, there's nothing to it

I believe I can fly  
I believe I can touch the sky  
I think about it every night and day  
Spread my wings and fly away

I believe I can soar  
I see me running through that open door

telling us the truth  
Limbaugh is a racist, Glenn Beck is a racist  
Gaza strip was getting bombed, Obama didn't  
say shit  
That's why I ain't vote for him, next one either  
I'm a part of the problem, my problem is I'm  
peaceful  
And I believe in the people  
Yeah

It's so loud inside my head  
With words that I should have said!  
As I drown in my regrets  
I can't take back the words I never said  
I can't take back the words I never said

Now you can say it ain't our fault if we never  
heard it  
But if we know better than we probably  
deserve it  
Jihad is not a holy war, wheres that in the  
worship?  
Murdering is not Islam!  
And you are not observant  
And you are not a Muslim  
Israel don't take my side 'cause look how far  
you've pushed them  
Walk with me into the ghetto, this where all the  
Kush went  
Complain about the liquor store but what you  
drinking liquor for?  
Complain about the gloom but when'd you pick  
a broom up?  
Just listening to Pac ain't gone make it stop  
A rebel in your thoughts, ain't gon' make it halt  
If you don't become an actor you'll never be a  
factor  
Pills with million side effects  
Take 'em when the pains felt  
Wash them down with diet soda  
Killin' off your brain cells  
Crooked banks around the World  
Would gladly give a loan today  
So if you ever miss a payment  
They can take your home away

It's so loud inside my head  
With words that I should have said!  
As I drown in my regrets

Limbaugh is a racist, Glenn Beck is a racist  
Gaza strip was getting bombed, Obama didn't

That's why I ain't vote for him, next one either

Can't contain him  
He knows he works  
Fuck, this hurts, I won't lie  
Doesn't matter how hard I try  
Half the words don't mean a thing

And I know that I won't be satisfied  
So why try ignoring him?  
Make it a dirt dance floor again  
Say your prayers and stomp it out  
When they bring that chorus in

I bleed it out  
Digging deeper just to throw it away  
I bleed it out  
Digging deeper just to throw it away  
I bleed it out  
Digging deeper just to throw it away  
Just to throw it away  
Just to throw it away

I bleed it out  
I've opened up these scars  
I'll make you face this  
I've pulled myself so far  
I'll make you face this now

I bleed it out  
Digging deeper just to throw it away  
I bleed it out  
Digging deeper just to throw it away  
I bleed it out  
Digging deeper just to throw it away  
Just to throw it away  
Just to throw it away

I bleed it out  
Digging deeper just to throw it away  
I bleed it out  
Digging deeper just to throw it away  
I bleed it out  
Digging deeper just to throw it away  
Just to throw it away  
Just to throw it away

I bleed it out  
I bleed it out  
I bleed it out

I'm gonna bleed it out  
Digging deeper just to throw it away  
I'm gonna bleed it out  
Digging deeper just to throw it away

Just to throw it away  
Just to throw it away

10740 - "Breathe" by Maroon 5

LyricFind	Claude
-----------	--------

How dare you say that my behavior is unacceptable  
So condescending unnecessarily critical  
I have the tendency of getting very physical  
So watch your step 'cause if I do you'll need a miracle

You drain me dry and make me wonder why I'm even here  
The double vision I was seeing is finally clear  
You want to stay but you know very well I want you gone  
Not fit to fuckin' tread the ground I'm walking on

When it gets cold outside and you got nobody to love  
You'll understand what I mean when I say  
There's no way we're gonna give up  
And like a little girl cries in the face of a monster that lives in her dreams  
Is there anyone out there 'cause it's getting harder and harder to breathe  
Is there anyone out there 'cause it's getting harder and harder to breathe

What you are doing is screwing things up inside my head  
You should know better you never listened to a word I said  
Clutching your pillow and writhing in a naked sweat  
Hoping somebody someday will do you like I did

When it gets cold outside and you got nobody

Verse 1:

How dare you say that my behavior's unacceptable  
So condescending unnecessarily critical  
I have the tendency of getting very physical  
So watch your step cause if I do you'll need a miracle

Chorus:

You drain me dry and make me wonder why I'm even here  
This Double Vision I was seeing is finally clear  
You want to stay but you know very well I want you gone  
Not fit to fuckin' tread the ground that I am walking on

Verse 2:

When it gets cold outside and you got nobody to love  
You'll understand what I mean when I say  
There's no way we're gonna give up  
And like a little girl cries in the face of a monster that lives in her dreams

Honey, I knew that we would  
Be together forever  
Ooh when I asked you out  
You said no but I found out  
Darling that you'd been hurt  
You felt like you'd never love again  
I deserve a try honey just once  
Give me a chance and I'll prove this all wrong  
You walked in, you were so quick to judge  
But honey he's nothing like me

I'll never break your heart  
I'll never make you cry  
I'd rather die than live without you  
I'll give you all of me  
Honey, that's no lie

I'll never break your heart  
I'll never make you cry  
I'd rather die than live without you  
I'll give you all of me  
Honey, that's no lie

As time goes by  
You will get to know me  
A little more better  
Girl that's the way love goes baby, baby  
And I (I) know you're afraid (know you're afraid)  
To let your feelings show (feelings show)  
And I understand  
Girl, it's time to let go (girl, it's time to let go because)

Just once (once)  
Give me a chance (chance) and I'll prove this all wrong (wrong you walked)

Honey, that's no lie

I knew that we would be together forever  
This I promise you

Honey, that's no lie

As time goes by, we'll still be together  
And this I promise you  
Just close your eyes,  
Imagine us together  
I'll be your lover too

The sun may fall from the sky  
The moon may not shine  
There's always one thing that's for sure  
I'll never break your heart  
I'll never break your heart

As long as I'm living  
I be loving you  
There is nothing I won't do  
To keep us together  
This I promise you

I'll never break your heart  
I'll never make you cry  
I'd rather die than live without you  
I'll give you all of me

10775 - "Forgotten" by Linkin Park

LyricFind	Claude
<p>From the top to the bottom Bottom to top I stop At the core I've forgotten In the middle of my thoughts Taken far from my safety The picture's there</p>	<p>From the top to the bottom Bottom to top I stop At the core I've forgotten In the middle of my thoughts Taken far from my safety The picture's there</p>

The memory won't escape me  
But why should I care?

From the top to the bottom  
Bottom to top I stop  
At the core I've forgotten  
In the middle of my thoughts  
Taken far from my safety  
The picture's there  
The memory won't escape me  
But why should I care?

There's a place so dark you can't see the end  
(Skies cock back) and shock that which can't  
defend  
The rain then sends dripping acidic questions  
Forcefully, the power of suggestion  
Then with the eyes shut looking through the  
rust and rot, and dust  
A small spot of light floods the floor  
And pours over the rusted world of pretend  
And the eyes ease open and it's dark again

From the top to the bottom  
Bottom to top I stop  
At the core I've forgotten  
In the middle of my thoughts  
Taken far from my safety  
The picture's there  
The memory won't escape me  
But why should I care?

In the memory you'll find me  
Eyes burning up  
The darkness holding me tightly  
Until the sun rises up

Moving all around  
Screaming of the ups and downs  
Pollution manifested in perpetual sound  
The wheels go round and the sunset creeps  
Behind street lamps, chain-link, and concrete  
A little piece of paper with a picture drawn  
Floats on down the street 'til the wind is gone  
And the memory now is like the picture was  
then  
When the paper's crumpled up it can't be  
perfect again

The memory won't escape me  
But why should I care

From the top to the bottom  
Bottom to top I stop  
At the core I've forgotten  
In the middle of my thoughts  
Taken far from my safety  
The picture's there  
The memory won't escape me  
But why should I care

In the memory you'll find me  
Eyes burning up  
The darkness holding me tightly  
Until the sun rises up

Moving all around  
Screaming of the ups and downs  
Pollution manifested in perpetual sound  
The wheels go round and the sunset creeps  
past my windowpane

From the top to the bottom  
Bottom to top I stop  
At the core I've forgotten  
In the middle of my thoughts  
Taken far from my safety  
The picture's there  
The memory won't escape me  
But why should I care?

From the top to the bottom  
Bottom to top I stop  
At the core I've forgotten  
In the middle of my thoughts  
Taken far from my safety  
The picture's there  
The memory won't escape me  
But why should I care?

In the memory you'll find me  
Eyes burning up  
The darkness holding me tightly  
Until the sun rises up

Now you got me caught in the act  
You bring the thought back

In the memory you'll find me  
Eyes burning up  
The darkness holding me tightly  
Until the sun rises up

From the top to the bottom  
Bottom to top I stop  
At the core I've forgotten  
In the middle of my thoughts  
Taken far from my safety  
The picture's there  
The memory won't escape me

From the top to the bottom  
Bottom to top I stop  
At the core I've forgotten  
In the middle of my thoughts  
Taken far from my safety  
The picture's there  
The memory won't escape me

In the memory you'll find me  
Eyes burning up  
The darkness holding me tightly  
Until the sun rises up

Moving all around  
Screaming of the ups and downs  
Pollution manifested in perpetual sound  
The wheels go round and the sunset creeps  
past my windowpane

From the top to the bottom  
Bottom to top I stop

In the memory you'll find me  
 Eyes burning up  
 The darkness holding me tightly  
 Until the sun rises up

10792 - "This Love" by Maroon 5

LyricFind	Claude
<p>I was so high, I did not recognize The fire burning in her eyes The chaos that controlled my mind Whispered goodbye as she got on a plane Never to return again</p>	<p>Verse 1: I was so high I did not recognize The fire burning in her eyes The chaos that controlled my mind Whispered goodbye as she got on a plane Never to return again</p>

But always in my heart, oh

This love has taken its toll on me  
She said goodbye too many times before  
And her heart is breaking in front of me  
And I have no choice 'cause I won't say goodbye  
anymore

Whoa  
Whoa  
Whoa

I tried my best to feed her appetite  
Keep her coming every night  
So hard to keep her satisfied, oh  
Kept playing love like it was just a game  
Pretending to feel the same  
Then turn around and leave again, but oh

This love has taken its toll on me  
She said goodbye too many times before  
And her heart is breaking in front of me  
And I have no choice 'cause I won't say goodbye  
anymore

Whoa  
Whoa  
Whoa

I'll fix these broken things  
Repair your broken wings  
And make sure everything's alright  
(It's alright, it's alright)  
My pressure on your hips  
Sinking my fingertips  
Into every inch of you  
**Because** I know that's what you want me to do

This love has taken its toll on me  
She said goodbye too many times before  
Her heart is breaking in front of me  
And I have no choice 'cause I won't say goodbye  
anymore  
This love has taken its toll on me  
She said goodbye too many times before  
And my heart is breaking in front of me  
**She said** goodbye **too many times before**  
This love has taken its toll on me  
She said goodbye too many times before

But always in my heart, this love has taken its  
toll on me  
She said goodbye too many times before  
And her heart is breaking in front of me  
I have no choice, cause I won't say goodbye  
anymore

**Chorus:**

I tried my best to feed her appetite  
Keep her coming every night  
So hard to keep her satisfied  
Kept playing love like it was just a game  
Pretending to feel the same  
Then turn around and leave again  
This love has taken its toll on me  
She said goodbye too many times before

**Verse 2:**

And her heart is breaking in front of me  
I have no choice, cause I won't say goodbye  
anymore

**Chorus:**

I'll fix these broken things

To wash this memory clean  
Let the floods cross  
The distance in your eyes  
Give me reason  
To fill this hole  
Connect this space between  
Let it be enough to reach the truth that lies  
Across this new divide

There was nothing inside  
The memories left abandoned  
There was nowhere to hide  
The ashes fell like snow  
And the ground caved in  
Between where we were standing  
And your voice was all I heard  
That I get what I deserve

So give me reason  
To prove me wrong  
To wash this memory clean  
Let the floods cross  
The distance in your eyes  
Across this new divide

In every loss in every lie  
In every truth that you deny  
And each regret and each goodbye  
Was a mistake too great to hide  
And your voice was all I heard  
That I get what I deserve

So give me reason  
To prove me wrong  
To wash this memory clean  
Let the floods cross  
The distance in your eyes  
Give me reason  
To fill this hole  
Connect this space between  
Let it be enough to reach the truth that lies  
Across this new divide  
Across this new divide  
Across this new divide

this memory clean

Let the floods cross the distance in your eyes

Give me reason to fill this hole, connect the  
space between

Let it be enough to reach the truth that lies  
Across this new divide

There was nothing in sight but memories left  
abandoned  
There was nowhere to hide, the ashes fell like  
snow

And the ground caved in between where we  
were standing  
And your voice was all I heard that I get what I  
deserve

So give me reason to prove me wrong, to wash  
this memory clean

Let the floods cross the distance in your eyes

Across this new divide

In every loss, in every lie, in every truth that  
you'd deny  
And each regret and each goodbye was a  
mistake too great to hide  
And your voice was all I heard that I get what I  
deserve

So give me reason to prove me wrong, to wash  
this memory clean

Let the floods cross the distance in your eyes

Give me reason to fill this hole, connect the  
space between

Let it be enough to reach the truth that lies  
across this new divide  
Across this new divide, across this new divide

Ah, you've been with the professors and  
they've all liked your looks  
With great lawyers you have discussed lepers  
and crooks  
You've been through all of F. Scott Fitzgerald's  
books  
You're very well-read, it's well-known  
But something is happening here and you don't  
know what it is  
Do you, Mr. Jones?

Well, the sword swallower, he comes up to you  
and then he kneels  
He crosses himself and then he clicks his high  
heels  
And without further notice, he asks you how it  
feels  
And he says, "Here is your throat back, thanks  
for the loan"  
And you know something is happening but you  
don't know what it is  
Do you, Mr. Jones?

Now, you see this one-eyed midget shouting the  
word "Now"  
And you say, "For what reason?" and he says,  
"How"  
And you say, "What does this mean?" and he  
screams back, "You're a cow!  
Give me some milk or else go home"  
And you know something's happening but you  
don't know what it is  
Do you, Mr. Jones?

Well, you walk into the room like a camel, and  
then you frown  
You put your eyes in your pocket and your nose  
on the ground  
There ought to be a law against you comin'  
around  
You should be made to wear earphones  
'Cause something is happening and you don't  
know what it is  
Do you, Mr. Jones?

To tax-deductible charity organizations

Because something is happening here  
But you don't know what it is  
Do you, Mister Jones?

Well, you walk into the room  
Like a camel and then you frown  
You put your eyes in your pocket  
And your nose on the ground  
There ought to be a law  
Against you comin' around  
You should be made  
To wear earphones

Because something is happening here  
But you don't know what it is  
Do you, Mister Jones?

LyricFind	Claude
<p>(One, two, three)</p> <p>(Turn it up)</p> <p>Big wheels keep on turning</p>	<p>Big wheels keep on turning</p>

Carry me home to see my kin  
Singing songs about the Southland  
I miss Alabamy once again and I think it's a sin,  
yes

Well, I heard Mister Young sing about her  
(southern man)  
Well, I heard ol' Neil put her down  
Well, I hope Neil Young will remember  
A southern man don't need him around,  
anyhow

Sweet home Alabama  
Where the skies are so blue  
Sweet home Alabama  
Lord, I'm coming home to you

In Birmingham they love the Governor, boo,  
boo, boo  
Now we all did what we could do  
Now Watergate does not bother me  
Does your conscience bother you? Tell the  
truth

Sweet home Alabama  
Where the skies are so blue  
Sweet home Alabama  
Lord, I'm coming home to you, here I come  
Alabama

(Oh oh oh, Alabama, oh oh oh, Alabama)  
(Oh oh oh, Alabama, oh oh oh, Alabama)

Now Muscle Shoals has got the Swampers  
And they've been known to pick a song or two  
(yes, they do)  
Lord, they get me off so much  
They pick me up when I'm feeling blue, now  
how 'bout you?

Sweet home Alabama  
Where the skies are so blue  
Sweet home Alabama  
Lord, I'm coming home to you

Sweet home Alabama, oh, sweet home, baby  
Where the skies are so blue and the governor's  
true

Carry me home to see my kin  
Singing songs about the Southland  
I miss Alabamy once again

And I think it's a sin, yes  
Well I heard mister Young sing about her  
Well, I heard ol' Neil put her down  
Well, I hope Neil Young will remember  
A Southern man don't need him around  
anyhow

Sweet home Alabama  
Where the skies are so blue  
Sweet Home Alabama  
Lord, I'm coming home to you

In Birmingham they love the governor  
Now we all did what we could do  
Now Watergate does not bother me  
Does your conscience bother you?

Sweet Home Alabama

Here I come Alabama

Now Muscle Shoals has got the Swampers  
And they've been known to pick a song or two  
Lord they get me off so much  
They pick me up when I'm feeling blue  
Now how about you?

Sweet home Alabama  
Where the skies are so blue  
Sweet Home Alabama  
Lord, I'm coming home to you

Where the skies are so blue  
Sweet Home Alabama

10899 - "Father of Mine" by Everclear

LyricFind	Claude
<p>Father of mine Tell me where have you been You know I just closed my eyes</p>	<p>Father of mine Tell me where have you been You know I just closed my eyes</p>

My whole world disappeared  
Father of mine  
Take me back to the day  
Yeah, when I was still your golden boy  
Back before you went away

I remember the blue skies  
Walking the block  
I loved it when you held me high  
I loved to hear you talk  
You would take me to the movie  
You would take me to the beach  
Take me to a place inside  
That is so hard to reach

Father of mine  
Tell me where did you go  
You had the world inside your hand  
But you did not seem to know  
Father of mine  
Tell me what do you see  
When you look back at your wasted life  
And you don't see me

I was ten years old  
Doing all that I could  
Wasn't easy for me to be a scared white boy  
In a black neighborhood  
Sometimes you would send me a birthday card  
With a five dollar bill  
Yeah, I never understood you then  
And I guess I never will

Daddy gave me a name  
My dad he gave me a name (then he walked away)  
Daddy gave me a name (then he walked away)  
My dad he gave me a name

Daddy gave me a name  
Daddy gave me a name (then he walked away)  
Daddy gave me a name (then he walked away)  
My daddy gave me a name

Yeah, yeah, oh yeah

My whole world disappeared

Father of mine  
Take me back to the day  
When I was still your golden boy  
Back before you went away

I remember the blue skies, your smile  
I remember the day you told me  
'Goodbye'

Father of mine  
Tell me where did you go  
You had the world inside your hand  
But you did not seem to know

Father of mine  
Tell me what do you see  
When you look back at your wasted life  
And you don't see me

I remember the blue skies, your smile  
I remember the day you told me  
'Goodbye'

Daddy gave me a name  
My dad he gave me a name

Then he walked away..  
Daddy gave me a name  
Then he walked away

My dad gave me a name  
Then he went away

<p>Father of mine  Tell me where have you been  Yeah, I just closed my eyes  And the world disappeared  Father of mine  Tell me how do you sleep  With the children you abandoned  And the wife I saw you beat</p> <p>I will never be safe  I will never be sane  I will always be weird inside  I will always be lame  Now I'm a grown man  With a child of my own  And I swear I'm not going to let her know  All the pain I have known</p> <p>Then he walked away  Daddy gave me a name  Then he walked away  My daddy gave me a name  Then he walked away  My daddy gave me a name  Then he walked away  My daddy gave me a name  Then he walked away (yeah)  Then he walked away (yeah)  Then he walked away (oh, yeah)</p>

When a couple of guys who were up to no good  
Started making trouble in my neighborhood  
I got in one little fight and my mom got scared  
And said, "You're movin' with your auntie and  
uncle in Bel-Air"

I begged and pleaded with her day after day  
But she packed my suitcase and sent me on my  
way  
She gave me a kiss and then she gave me my  
ticket  
I put my Walkman on and said, "I might as well  
kick it"

First class, yo this is bad  
Drinking orange juice out of a champagne glass  
Is this what the people of Bel-Air living like?  
Hmm, this might be alright

But wait I hear they're prissy, bourgeois and all  
that  
Is this the type of place that they should send  
this cool cat?  
I don't think so, I'll see when I get there

I hope they're prepared for the prince of Bel-  
Air

Well, uh, the plane landed and when I came out  
There was a dude looked like a cop standing  
there with my name out  
I ain't tryna get arrested yet, I just got here

I sprang with the quickness like lightning,  
disappeared

I whistled for a cab and when it came near  
The license plate said "fresh" and it had dice in  
the mirror  
If anything I could say that this cab was rare  
But I thought, "Nah, forget it, yo, holmes, to Bel-  
Air"

I pulled up to a house about seven or eight  
And I yelled to the cabbie, "Yo, holmes, smell ya  
later"

Looked at my kingdom, I was finally there

To sit on my throne as the Prince of Bel-Air

When a couple of guys who were up to no good

<p>When this began I had nothing to say And I'd get lost in the nothingness inside of me (I was confused) And I let it all out to find that I'm not the only person with these things in mind (inside of me) But all the vacancy the words revealed Is the only real thing that I got left to feel (nothing to lose) Just stuck, hollow and alone And the fault is my own And the fault is my own</p> <p>I want to heal, I want to feel What I thought was never real I want to let go of the pain I felt so long (erase all the pain 'til it's gone) I want to heal, I want to feel Like I'm close to something real I want to find something I've wanted all along Somewhere I belong</p>	<p>When this began I had nothing to say And I get lost in the nothingness inside of me I was confused And I let it all out to find / That I'm not the only person with these things in mind inside of me But all the vacancy the words revealed Is the only real thing that I've got left to feel Nothing to lose Just stuck, hollow and alone And the fault is my own and the fault is my own</p> <p>I wanna heal, I wanna feel what I thought was never real I wanna let go of the pain I've felt so long Erase all the pain till it's gone I wanna heal, I wanna feel like I'm close to something real I wanna find something I've wanted all along Somewhere I belong</p>

And I've got nothing to say  
I can't believe I didn't fall right down on my  
face (I was confused)  
Looking everywhere only to find  
That it's not the way I had imagined it all in my  
mind (so what am I?)

What do I have but negativity?  
'Cause I can't justify the way everyone is  
looking at me (nothing to lose)

Nothing to gain, hollow and alone  
And the fault is my own  
And the fault is my own

I want to heal, I want to feel  
What I thought was never real  
I want to let go of the pain I've held so long  
(erase all the pain 'til it's gone)  
I want to heal, I want to feel  
Like I'm close to something real  
I want to find something I've wanted all along  
Somewhere I belong

I will never know myself until I do this on my  
own

And I will never feel  
Anything else until my wounds are healed  
I will never be  
Anything 'til I break away from me  
I will break away, I'll find myself today

I want to heal, I want to feel  
What I thought was never real  
I want to let go of the pain I felt so long (erase  
all the pain 'til it's gone)  
I want to heal, I want to feel  
Like I'm close to something real  
I want to find something I've wanted all along

I want to heal I want to feel like I'm  
Somewhere I belong  
I want to heal I want to feel like I'm somewhere  
I belong  
Somewhere I belong

And I've got nothing to say  
I can't believe I didn't fall right down on my

They broke the mold when you came in this world

And I'm trying hard to figure out  
Just how I ever did without  
The warmth of your smile  
The heart of a child  
It's deep inside  
Leaves me purified

Your love is like a river  
Peaceful and deep  
Your soul is like a secret  
That I never could keep  
When I look into your eyes  
I know that it's true  
God must have spent  
A little more time on you

(On you, on you, on you, you) Yes, He did, babe  
Yes He did (on you, on you, on you, you)  
(On you, on you, on you, you)  
(On you, on you, on you, you)

Never thought that love could feel like this  
And you've changed my world with just one  
kiss  
How can it be that right here with me  
There's an angel?  
It's just a miracle

Your love is like a river  
Peaceful and deep

God must have spent  
A little more time on you (on you, on you)  
On you

Just how I ever did without  
The warmth of your smile  
The heart of a child  
That's deep inside  
Leaves me purified

Your love is like a river peaceful and deep

Your soul is like a secret that I never could

11036 - "Tangled Up in Blue" by Bob Dylan

LyricFind	Claude
<p>Early one mornin' the sun was shinin'  I was layin' in bed</p>	<p>Early one mornin' the sun was shinin'  I was layin' in bed</p>

Wondrin' if she'd changed at all  
If her hair was still red  
Her folks they said our lives together  
Sure was gonna be rough  
They never did like  
Mama's homemade dress  
Papa's **bank book** wasn't big enough  
And I was standin' on the side of the road  
Rain fallin' on my shoes  
Heading out for the **east coast**  
Lord knows I've paid some dues  
**Gettin'** through  
Tangled up in blue

She was married when we first met  
Soon to be divorced  
I helped her out of a jam I guess  
But I used a little too much force  
We drove that car as far as we could  
Abandoned it out **west**  
Split up on a dark sad night  
Both agreeing it was best  
She turned around to look at me  
As I was walkin' away  
I heard her say over my shoulder  
We'll meet again **some day**  
**On** the avenue  
Tangled up in blue

I had a job in the great north woods  
Working as a cook for a spell  
But I never did like it all that much  
And one day the **axe** just fell  
So I drifted down to New Orleans  
Where I was looking for to be employed  
Workin' for a while on a fishin' boat  
Right outside of Delacroix  
But all the while I was alone  
The past was close behind  
I seen a lot of women  
But she never escaped my mind  
**And** I just grew  
Tangled up in blue

She was workin' in a topless place  
And I stopped in for a beer  
I just kept lookin' at the side of her face  
In the spotlight so clear  
And later on as the crowd thinned out

Wond'rin' if she'd changed at all  
If her hair was still red  
Her folks they said our lives together  
Sure was gonna be rough  
They never did like Mama's homemade dress  
Papa's **bankbook** wasn't big enough

And I was standin' on the side of the road  
Rain fallin' on my shoes  
Heading out for the **East Coast**

Split up on a dark sad night

She turned around to look at me  
As I was walkin' away  
I heard her say over my shoulder  
"We'll meet again **someday** on the avenue"  
Tangled up in blue.

I had a job in the great north woods  
Working as a cook for a spell  
But I never did like it all that much  
And one day the **ax** just fell  
So I drifted down to New Orleans  
Where I happened to be employed

But all the while I was alone  
The past was close behind  
I seen a lot of women  
But she never escaped my mind, **and** I just grew  
Tangled up in blue.

I's just about to do the same  
She was standing there in back of my chair  
Said to me, Don't I know your name?  
I muttered somethin' under my breath  
She studied the lines on my face  
I must admit I felt a little uneasy  
When she bent down to tie the laces  
Of my shoe  
Tangled up in blue

She lit a burner on the stove  
And offered me a pipe  
I thought you'd never say hello, she said  
You look like the silent type  
Then she opened up a book of poems  
And handed it to me  
Written by an Italian poet  
From the thirteenth century  
And everyone of them words rang true  
And glowed like burnin' coal  
Pourin' off of every page  
Like it was written in my soul  
From me to you  
Tangled up in blue

I lived with them on Montague Street  
In a basement down the stairs  
There was music in the cafés at night  
And revolution in the air  
Then he started into dealing with slaves  
And something inside of him died  
She had to sell everything she owned  
And froze up inside  
And when finally the bottom fell out  
I became withdrawn  
The only thing I knew how to do  
Was to keep on keepin' on  
Like a bird that flew  
Tangled up in blue

So now I'm goin' back again  
I got to get to her somehow  
All the people we used to know  
They're an illusion to me now  
Some are mathematicians  
Some are carpenters' wives  
Don't know how it all got started  
I don't know what they're doin' with their lives  
But me, I'm still on the road

Headin' for another joint We always did feel the same We just saw it from a different point of view Tangled up in blue

 My dick is like an accent mark, it's all about the over Es  
 Hot like a parked car  
 I sound weird like nigga with a hard 'R'

Insanity  Made the beat then murdered it, Casey  Anthony  These rappers won't know what to do  'Cause all I did was act me like a Loony Tune  And I'll give you all of me until there's nothin'  left  I swear this summer will be summer Camp,  bitch </p>

11058 - "Don't Worry Baby" by The Beach Boys

LyricFind	Claude
Well its been building up inside of me	Well it's been building up inside of me

For oh I don't know how long  
I don't know why  
But I keep thinking  
Something's bound to go wrong

But she looks in my eyes  
And makes me realize  
And she says "don't worry, baby"  
Don't worry, baby  
Don't worry, baby  
Everything will turn out alright

Don't worry, baby  
Don't worry, baby  
Don't worry, baby

I guess I should've kept my mouth shut  
When I started to brag about my car  
But I can't back down now  
I pushed the other guys too far

She makes me come alive  
And makes me want to drive  
When she says "don't worry, baby"  
Don't worry, baby  
Don't worry, baby  
Everything will turn out alright

Don't worry, baby  
Don't worry, baby  
Don't worry, baby

She told me "baby, when you race today  
Just take along my love with you  
And if you know how much I loved you  
Baby nothing could go wrong with you"

Oh what she does to me  
When she makes love to me  
And she says "don't worry, baby"  
Don't worry, baby  
Don't worry, baby  
Everything will turn out alright

She's so beautiful  
She's always on my mind  
And she says "Don't worry baby"

Don't worry baby  
Don't worry baby  
Everything will turn out alright  
Don't worry baby

Don't worry baby  
Don't worry baby  
My honey, my baby, you worry too much  
Don't worry, oh little darling  
You worry too, too much

Try to love one another right now	Try to love one another right now

Come, come, come, coming at you  
Come, coming at you  
Come, coming at you, yo

Peep the style and the kids checking for it  
The number one question is how could you  
ignore it  
We drop right back in the cut over basement  
tracks  
With raps that got you backing this up like  
(rewind that)  
We're just rolling with the rhythm  
Rise from the ashes of stylistic division  
With these non-stop lyrics of life living  
Not to be forgotten but still unforgiven  
But in the meantime there are those who want  
to  
Talk this and that, so I suppose that  
It gets to a point where feelings gotta get hurt  
  
And get dirty with the people spreading the  
dirt, it goes

Try to give you warning but everyone ignores  
me  
(Told you everything loud and clear)  
But nobody's listening, call to you so clearly  
But you don't want to hear me  
  
(Told you everything loud and clear)  
But nobody's listening

I got a heart full of pain, head full of stress  
Handful of anger, held in my chest  
And everything's left is a waste of time  
I hate my rhymes (but hate everyone else's  
more)  
I'm riding on the back of this pressure  
Guessing that it's better I can't keep myself  
together  
Because all of this stress gave me something to  
write on  
The pain gave me something I could set my  
sights on  
You never forget the blood, sweat, and tears  
The uphill struggle over years  
The fear and trash talking  
And the people it was to  
And the people that started it

Yo, peep the style and the kids checking for it,  
The number one question is how could you

[Chorus]

Tried to give you warning but everyone ignores  
me,  
Told you everything loud and clear,  
But nobody's listening,  
Called to you so clearly but you don't want to  
hear me,  
Told you everything loud and clear,  
But nobody's listening.

'Cause that's my woman there  And I'm a man who cares  And this might be all for you.</p>

I was scared and fearing for my life  
I was shaking like a leaf on a tree  
'Cause he was lean, mean  
Big and bad, Lord  
Pointin' that gun at me

"Oh, wait a minute, mister  
I didn't even kiss her  
Don't want no trouble with you  
And I know you don't owe me  
But I wish you'd let me  
Ask one favor from you"

"Oh, won't you  
Gimme three steps, gimme three steps, mister  
Gimme three steps towards the door?  
Gimme three steps, gimme three steps, mister

And you'll never see me no more"

For, sure

Well the crowd cleared away  
And I began to pray  
And the water fell on the floor  
And I'm telling you, son  
Well, it ain't no fun  
Staring straight down a forty-four  
Well, he turned and screamed at Linda Lou  
And that's the break I was looking for  
And you could hear me screaming a mile away  
As I was headed out toward your door

"Oh, won't you  
Gimme three steps, gimme three steps, mister  
Gimme three steps towards the door?  
Gimme three steps, gimme three steps, mister  
And you'll never see me no more"

Show me the back door

I was scared and fearing for my life.  
I was shaking like a leaf on a tree.  
'Cause he was lean, mean,  
Big and bad, Lord,  
Pointin' that gun at me.

I said, Wait a minute, mister,  
I didn't even kiss her.  
Don't want no trouble with you.  
And I know you're the king,  
But I ain't done a thing,  
Please don't be mad at me.

He said, Don't you touch her,  
Or do nothing to her.  
Or I'll fill you full of lead.  
I said, Please mister, please,  
I'm down on my knees.  
Gimme three steps, gimme three steps  
Gimme three steps towards the door.  
Gimme three steps  
Gimme three steps, mister,  
And you'll never see me no more.

 But I've been dreamin' 'bout the lovin' you do  
 I'm over being angry 'bout the hell you put me through

Hey man, bet you can treat me right  
 You just don't know what you was missin' last night  
 I wanna see you begging, say, "Forget it" just for spite

The barrel was set straight for the cop's kidney  The cop got scared, the kid, he starts to figure  "I'll do years if I pull this trigger"  So he cold dashed and ran around the block  Cop radios in to another lady cop  He ran by a tree, there he saw the sister  Shot for the head, he shot back but he missed  her  Looked around good and from expectations  He decided he'd head for the subway stations  But she was coming and he made a left  He was runnin' top speed 'til he was outta  breath  Knocked an old man down and swore he killed  him (sorry)  Then he made his move to an abandoned</p>	<p>Once upon a time not long ago  When people wore pajamas and lived life slow  When laws were stern and justice stood  And people were behavin' like they ought to  good  There lived a lil' boy who was misled  By anotha lil' boy and this is what he said:</p> <p>"Me, You, Ty, we're gonna make some cash  Robbin' old folks and makin' the dash"  They did the job, money came with ease  But one couldn't stop, it's like he had a disease  He robbed another and another and a sista and  her brotha  Tried to rob a man who was a D.T. undercover  The cop grabbed his arm, he started acting  erratic,  He said "Keep still, boy, no need for static"  Punched him in his belly and he gave him a slap  But little did he know the lil' boy was strapped</p> <p>He pulled out his gun, he said "Why did ya hit  me ?" building  
Ran up the stairs up to the top floor  
Opened up the door there, guess who he saw?  
(who?)  
Dave the dope fiend shootin' dope  
Who don't know the meaning of water nor soap  
He said "I need bullets, hurry up, run!"  
The dope fiend brought back a spanking  
shotgun  
He went outside but there was cops all over  
Then he dipped into a car, a stolen Nova  
Raced up the block doing 83  
Crashed into a tree near university  
Escaped alive though the car was battered  
Rat-a-tat-tatted and all the cops scattered  
Ran out of bullets and he still had static  
Grabbed a pregnant lady and out the automatic  
Pointed at her head and he said the gun was full  
o' lead  
He told the cops, "Back off or honey here's  
dead"  
Deep in his heart he knew he was wrong  
So he let the lady go and he starts to run on  
Sirens sounded, he seemed astounded  
Before long the lil' boy got surrounded  
He dropped the gun, so went the glory  
And this is the way I have end this story  
He was only seventeen, in a madman's dream  
The cops shot the kid, I still hear him scream  
This ain't funny so don't ya dare laugh  
Just another case 'bout the wrong path  
Straight 'n narrow or yo' soul gets cast

Good night, knock 'em out the box Rick, knock  
'em out Rick

Oh boy, that Uncle Ricky he's really weird

11203 - "Somebody Else" by The 1975

LyricFind	Claude
So I heard you found somebody else	So I heard you found somebody else

And at first, I thought it was a lie  
I took all my things that make sounds  
The rest I can do without

I don't want your body  
But I hate to think about you with somebody  
else  
Our love has gone cold  
You're intertwining your soul with somebody  
else

I'm looking through you while you're looking  
through your phone  
And then leavin' with somebody else  
No, I don't want your body  
But I'm picturing your body with somebody  
else

I don't want your body, I don't want your body  
I don't want your body, I don't want your body  
I don't want your body, I don't want your body

And come on, baby (I know)  
This ain't the last time that I'll see your face  
And come on, baby (I know)  
You said you'd find someone to take my place  
I just don't believe that you have got it in you  
'Cause we are just gonna keep doin' it  
And every time I start to believe in anything  
you're saying  
I'm reminded that I should be getting over it

I don't want your body

Too many runaways eating up the night

Marconi plays the mamba

Listen to the radio

Don't you remember?

We built this city

We built this city on rock and roll

We built this city

We built this city on rock and roll

Built this city

We built this city on rock and roll

Someone always playing corporation games

Who cares, they're always changing

corporation names

We just want to dance here, someone stole the stage

They call us irresponsible, write us off the page

Marconi plays the mamba

Listen to the radio

Don't you remember?

We built this city

We built this city on rock and roll

We built this city

We built this city on rock and roll

Built this city

We built this city on rock and roll

It's just another Sunday

In a tired old street

Police have got the chokehold (oh)

Then we just lost the beat

Who counts the money underneath the bar?

Who writes the wrecking ball into our guitars?

Don't tell us you need us 'cause we're the ship of fools

Looking for America, coming through your schools

(I'm looking out over that Golden Gate bridge)

(On another gorgeous sunny Saturday)

(And I'm seein' that bumper to bumper traffic)

Don't you remember (remember), 'member

('member)

(It's your favorite radio station in your favorite radio city)

Knee deep in the hoopla, sinking in your fight

Go on now, go  
Walk out the door  
Just turn around now  
'Cause you're not welcome anymore  
Weren't you the one who tried to hurt me with  
goodbye?  
Did you think I'd crumble?  
Did you think I'd lay down and die?

Oh no, not I  
I will survive  
Oh, as long as I know how to love, I know I'll  
stay alive  
I've got all my life to live  
And I've got all my love to give and I'll survive  
I will survive, hey, hey

Only the Lord could give me strength not to fall  
apart  
Though I tried hard to mend the pieces of my  
broken heart  
And I spent oh-so many nights just feeling  
sorry for myself  
I used to cry  
But now I hold my head up high

And you see me, somebody new  
I'm not that chained-up little person still in love  
with you  
And so you felt like dropping in  
And just expect me to be free  
Well, now I'm saving all my lovin'  
For someone who's loving me

Go on now, go  
Walk out the door  
Just turn around now

Enough to make my systems blow  
Welcome to the new age, to the new age  
Welcome to the new age, to the new age  
Whoa, whoa, whoa, whoa, whoa, whoa, whoa,  
I'm radioactive, radioactive  
Whoa, whoa, whoa, whoa, whoa, whoa, whoa,  
I'm radioactive, radioactive

I raise my flags, don my clothes  
It's a revolution, I suppose  
We're painted red to fit right in  
Whoa

I'm breaking in, shaping up, then checking out  
on the prison bus  
This is it, the apocalypse  
Whoa

I'm waking up, I feel it in my bones  
Enough to make my systems blow  
Welcome to the new age, to the new age  
Welcome to the new age, to the new age  
Whoa, whoa, whoa, whoa, whoa, whoa, whoa,  
I'm radioactive, radioactive  
Whoa, whoa, whoa, whoa, whoa, whoa, whoa,  
I'm radioactive, radioactive

11229 - "Scars to Your Beautiful" by Alessia Cara

LyricFind	Claude
<p>She just wants to be beautiful She goes unnoticed, she knows no limits She craves attention, she praises an image She prays to be sculpted by the sculptor Oh, she don't see the light that's shining Deeper than the eyes can find it Maybe we have made her blind So she tries to cover up her pain and cut her woes away</p>	<p>She just wants to be beautiful She goes unnoticed, she knows no limits She craves attention, she praises an image She prays to be sculpted by the sculptor Oh, she don't see the light that's shining Deeper than the eyes can find it Maybe we have made her blind So she tries to cover up her pain And cut her woes away</p>

'Cause covergirls don't cry after their face is made

But there's a hope that's waiting for you in the dark

You should know you're beautiful just the way you are

And you don't have to change a thing, the world could change its heart

No scars to your beautiful, we're stars and we're beautiful

Oh-oh, oh

Oh-oh, oh, oh

And you don't have to change a thing, the world could change its heart

No scars to your beautiful, we're stars and we're beautiful

She has dreams to be an envy, so she's starving  
You know, covergirls eat nothing

She says, "Beauty is pain and there's beauty in everything"

"What's a little bit of hunger?"

"I can go a little while longer," she fades away  
She don't see her perfect, she don't understand  
she's worth it

Or that beauty goes deeper than the surface,  
oh, oh

So to all the girls that's hurting

Let me be your mirror, help you see a little bit clearer

The light that shines within

There's a hope that's waiting for you in the dark

You should know you're beautiful just the way you are

And you don't have to change a thing, the world could change its heart

11262 - "Torn" by Natalie Imbruglia

LyricFind	Claude
I thought I saw a man brought to life He was warm, he came around like he was dignified He showed me what it was to cry  Well, you couldn't be that man I adored You don't seem to know, or seem to care what your heart is for But I don't know him anymore  There's nothin' where he used to lie The conversation has run dry That's what's goin' on Nothing's fine, I'm torn  I'm all out of faith This is how I feel I'm cold and I am shamed Lying naked on the floor Illusion never changed Into something real I'm wide awake and I can see The perfect sky is torn You're a little late I'm already torn  So I guess the fortune teller's right Should've seen just what was there and not some holy light But you crawled beneath my veins and now	I thought I saw a man brought to life He was warm, he came around like he was dignified He showed me what it was to cry  Well, you couldn't be that man I adored You don't seem to know, don't seem to care What your heart is for But I don't know him anymore  There's nothing where he used to lie My conversation has run dry That's what's going on, nothing's fine I'm torn  I'm all out of faith, this is how I feel  I'm cold and I am shamed lying naked on the floor  Illusion never changed into something real  I'm wide awake and I can see the perfect sky is torn  You're a little late, I'm already torn  So I guess the fortune teller's right I should have seen just what was there and not some holy light But you crawled beneath my veins and now

<p>I torture you  Take my hand through the flames  I torture you  I'm a slave to your games  I'm just a sucker for pain  I wanna chain you up  I wanna tie you down  Ooh  I'm just a sucker for pain (Dolla \$ign)    I'm a sucker for pain</p>	<p>I torture you  Take my hand through the flames  I torture you  I'm a slave to your games  I'm just a sucker for pain  I wanna chain you up  I wanna tie you down  I'm just a sucker for pain    I'm a sucker for pain</p>

I got the squad tatted on me from my neck to  
my ankles  
Pressure from the man got us all in rebellion  
(yeah)  
We gon' go to war, yeah, without failure (ooh,  
yeah)  
Do it for the fam, dog, ten toes down, dog  
Love and the loyalty that's what we stand for  
Alienated by society  
All this pressure give me anxiety (anxiety)  
Walk slow through the fire  
Like, who gon' try us?  
Feelin' the world go against us (against us)  
So we put the world on our shoulders

I torture you  
Take my hand through the flames  
I torture you  
I'm a slave to your games  
I'm just a sucker for pain  
I wanna chain you up  
I wanna tie you down  
Ooh  
I'm just a sucker for pain

I been at it with my homies  
It don't matter, you don't know me  
I been rollin' with my team, we the illest on the  
scene  
I been ridin' 'round the city with my squad  
I been ridin' 'round the city with my squad  
We just posted, gettin' crazy, livin' like this is so  
amazin'  
Hold up take a step back, when we roll up,  
'cause I know what  
We been loyal, we been fam, we the ones you  
trust in  
Won't hesitate to go straight to your head like a  
concussion  
I know I been bustin', no discussion for my  
family  
No hesitation, through my scope I see my  
enemy  
Like what's up? Hold up, we finna reload up  
Yes, I reload up, I know what up, I know what  
up

I torture you  
Take my hand through the flames

I got the squad tatted on me from my neck to  
my ankles  
Pressure from the man got us all in rebellion  
We gon' go to war, yeah, without failure  
Do it for the fam, dog, ten toes down, dog  
Love and the loyalty that's what we stand for  
Alienated by society, all this pressure give me  
anxiety  
Walk slow through the fire  
Like, who gon' try us?

Feel the heat comin' off of the blacktop  
Girl, I'm just tryna get you to drop it  
Got a sucker for pain like I'm in the dentist's  
chair  
Got the squad on my flank, use my mind as a  
weapon

I torture you  
I'm a slave to your games  
I'm just a sucker for pain  
I wanna chain you up  
I wanna tie you down  
Ooh  
I'm just a sucker for pain

Uh, devoted to destruction  
A full dosage of detrimental dysfunction  
I'm dyin' slow but the devil tryna rush me  
See I'm a fool for pain, I'm a dummy  
Might cut my head off right after I slit my throat  
Tongue kiss a shark, got jealous bitches up in  
the boat  
Eatin' peanut butter and jelly fishes on toast  
And if I get stung I get stoked, might choke  
Like I chewed a chunk of charcoal, naked in the  
North Pole  
That's why my heart cold, full of sorrow, the  
lost soul  
And only Lord knows when I'm comin' to the  
crossroads  
So I don't fear shit but tomorrow  
And I'm a sucker for pain, it ain't nothin' but  
pain  
You just fuckin' complain, you ain't tough as  
you claim  
Just stay up in your lane, just don't fuck with Lil  
Wayne  
I'ma jump from a plane or stand in front of a  
train  
'Cause I'm a sucker for pain

Used to doin' bad, now we feel like we just now  
gettin' it  
Ain't got no other way so we start it and finish  
it  
No pain, no gain  
Never stand down, made our own way  
Never goin' slow, we pick up the pace  
This is what we wanted from a young age  
No emotion, that's what business is  
Lord, have mercy on the witnesses

I torture you  
Take my hand through the flames  
I torture you  
I'm just a sucker for pain

<p>More pain  Got me beggin', beggin', beggin', beggin',  beggin', beggin'  For more pain  Got me beggin', beggin', beggin', beggin',  beggin', beggin'  For more pain  Got me beggin', beggin', beggin', beggin',  beggin', beggin'  For more pain  Got me beggin'</p>

mess with this  
And I know you mean only the best  
And your intentions aren't to bother me  
But honestly I'd rather be  
Somewhere with my people we can kick it and  
just listen  
To some music with the message (like we  
usually do)  
And we'll discuss our big dreams  
How we plan to take over the planet  
So pardon my manners, I hope you'll  
understand  
That I'll be here  
Not there in the kitchen with the girl  
Who's always gossiping about her friends  
So tell them I'll be here  
Right next to the boy who's throwing up  
'Cause he can't take what's in his cup no more

11305 - "No Air" by Jordin Sparks ft. Chris Brown

LyricFind	Claude
<p>Tell me how I'm supposed to breathe with no air? If I should die before I wake It's 'cause you took my breath away Losing you is like living in a world with no air, oh</p> <p>I'm here alone, didn't wanna leave My heart won't move, it's incomplete Is there a way I could make you understand?</p> <p>But how Do you expect me, to live alone with just me? Can't live, can't breathe with no air That's how I feel whenever you ain't there There's no air, no air Got me out here in the water so deep Tell me how you gon' be without me? If you ain't here, I just can't breathe</p>	<p>Tell me how I'm supposed to breathe with no air If I should die before I wake It's 'cause you took my breath away Losing you is like living in a world with no air, oh</p> <p>I'm here alone, didn't wanna leave My heart won't move, it's incomplete Wish there was a way that I can make you understand</p> <p>But how do you expect me To live alone with just me? There's no air, no air  
No air, air, No air, air

I walked, I ran, I jumped, I flew right off  
The ground and float to you  
There's no gravity to hold me down, for real

But somehow I'm still alive inside  
You took my breath but I survived  
I don't know how but I don't even care

So how do you expect me to live alone with just me?

'Cause my world revolves around you  
It's so hard for me to breathe

Tell me how I'm supposed to breathe with no air?

Can't live, can't breathe with no air  
That's how I feel whenever you ain't there  
There's no air, no air  
Got me out here in the water so deep  
Tell me how you gon' be without me?

If you ain't here I just can't breathe

No air, air, No air, air

Got me here out in the water so deep

Tell me how you goin' be without me?

11319 - "Reunited" by Peaches & Herb

LyricFind	Claude
	<p>Reunited and it feels so good  Reunited 'cause we understood  There's one perfect fit  And, sugar, this one is it</p>

I was a fool to ever leave your side  
Me minus you is such a lonely ride  
The breakup we had has made me lonesome  
and sad  
I realize I love you 'cause I want you bad, hey,  
hey

I spent the evening with the radio  
Regret the moment that I let you go  
Our quarrel was such a way of learnin' so much  
I know now that I love you 'cause I need your  
touch, hey, hey

Reunited, and it feels so good  
Reunited 'cause we understood  
There's one perfect fit  
And, sugar, this one is it  
We both are so excited 'cause we're reunited,  
hey, hey

I sat here starin' at the same old wall  
Came back to life just when I got your call  
I wished I could climb right through the  
telephone line  
And give you what you want so you will still be  
mine, hey, hey

I can't go cheatin', honey, I can't play  
I found it very hard to stay away  
As we reminisce on precious moments like this  
I'm glad we're back together 'cause I missed  
your kiss, hey, hey

Reunited, and it feels so good  
Reunited 'cause we understood  
There's one perfect fit  
And, sugar, this one is it  
We both are so excited 'cause we're reunited,  
hey, hey

Yeah, yeah, yeah  
Baby

Lover, lover, this is solid love  
And you're exactly what I'm dreamin' of  
All through the day

Forever, ever, ever (ayy)  
Forever on the dance floor

Feels like we're on another level, oh  
Feels like our love's intertwined  
We can be two rebels  
Breaking the rules, me and you, you and I  
All you gotta do is watch me (watch me)  
Look what I can do with my feet (my feet)  
Baby, feel the beat inside (forever)  
I'm driving, you can take the front seat (front

(No...) But you won't let me</p>

You upset me, girl  
And then you kiss my lips  
All of a sudden I forget (that I was upset)  
Can't remember what you did  
But I hate it  
You know exactly what to do  
So that I can't stay mad at you  
For too long, that's wrong  
But I hate it  
You know exactly how to touch  
So that I don't wanna fuss and fight no more  
Said I despise that I adore you

And I hate how much I love you, boy (yeah)  
I can't stand how much I need you (I need you)

You completely know the power that you have  
(power that you have)  
The only one makes me laugh (makes me

Sad and it's not fair  
How you take advantage of the fact  
That I  
Love you beyond the reason why  
And it just ain't right

And I hate how much I love you, girl (oooh)  
I can't stand how much I need you (yeah)

And your kiss won't make me weak  
But no one in this world knows me the way you  
know me  
So you'll probably always have a spell on me  
Yeah  
Oh, oh, oh  
Yeah, yeah, yeah, yeah, yeah, yeah

That's how much I love you  
How much I need you  
How much I need you

11418 - "Bleeding Out" by Imagine Dragons

LyricFind	Claude
<p>I'm bleeding out  Say if the last thing that I do  Is bring you down  I'll bleed out for you  So I bear my skin  And I count my sins  And I close my eyes  And I take it in  I'm bleeding out  I'm bleeding out for you (for you)</p> <p>When the day has come  But I've lost my way around  And the seasons stop and hide beneath the ground  When the sky turns gray  And everything is screaming  I will reach inside</p>	<p>I'm bleeding out  So if the last thing that I do  Is bring you down  I'll bleed out for you  So I bare my skin  And I count my sins  And I close my eyes  And I take it in  I'm bleeding out  I'm bleeding out for you, for you.</p> <p>When the day has come  That I've lost my way around  And the seasons stop and hide beneath the ground  When the sky turns gray  And everything is screaming  I will reach inside</p>

Just to find my heart is beating

You tell me to hold on  
Oh you tell me to hold on  
But innocence is gone  
And what was right is wrong

'Cause I'm bleeding out  
Say if the last thing that I do  
Is to bring you down  
I'll bleed out for you  
So I bear my skin  
And I count my sins  
And I close my eyes  
And I take it in  
And I'm bleeding out  
I'm bleeding out for you (for you)

When the hour is nigh  
And hopelessness is sinking in  
And the wolves all cry  
To feel they're not worth hollering  
When your eyes are red  
And emptiness is all you know  
With the darkness fed  
I will be your scarecrow

You tell me to hold on  
Oh you tell me to hold on  
But innocence is gone  
And what was right is wrong

'Cause I'm bleeding out  
Say if the last thing that I do  
Is to bring you down  
I'll bleed out for you  
So I bear my skin  
And I count my sins  
And I close my eyes  
And I take it in  
And I'm bleeding out  
I'm bleeding out for you (for you)

I'm bleeding out for you (for you)  
I'm bleeding out for you (for you)  
I'm bleeding out for you (for you)  
I'm bleeding out for you

'Cause I'm bleeding out

Just to find my heart is beating

Oh, you tell me to hold on  
Oh, you tell me to hold on  
But innocence is gone  
And what was right is wrong

'Cause I'm bleeding out  
So if the last thing that I do  
Is to bring you down  
I'll bleed out for you  
So I bare my skin  
And I count my sins  
And I close my eyes  
And I take it in  
And I'm bleeding out  
I'm bleeding out for you (for you)

When the hour is nigh  
And hopelessness is sinking in  
And the wolves all cry  
To fill the night with hollering  
When your eyes are red  
And emptiness is all you know  
With the darkness fed  
I will be your scarecrow

You tell me to hold on  
Oh you tell me to hold on  
But innocence is gone  
And what was right is wrong

'Cause I'm bleeding out  
So if the last thing that I do  
Is to bring you down  
I'll bleed out for you  
So I bare my skin  
And I count my sins  
And I close my eyes  
And I take it in  
And I'm bleeding out  
I'm bleeding out for you, for you.

I'm bleeding out for you (for you)  
I'm bleeding out for you (for you)  
I'm bleeding out for you (for you)  
I'm bleeding out for you

<p>Say if the last thing that I do  Is to bring you down  I'll bleed out for you  So I bear my skin  And I count my sins  And I close my eyes  And I take it in  And I'm bleeding out  I'm bleeding out for you (for you)</p>

Woop-woop, that's the sound of da beast (yes indeed)

Stand clear, Don man'll talk  
You can't stand where I stand, you can't walk where I walk  
Watch out, we run New York  
Policeman come, we bust him out the park  
I know this for a fact, you don't like how I act  
You claim I'm sellin' crack, but you be doin' that  
I'd rather say see ya, 'cause I would never be ya  
Be an officer? You wicked overseer  
You hotshot, wanna get props and be a savior  
First show a little respect, change your behavior  
Change your attitude, change your plan  
There could never really be justice on stolen land  
Are you really for peace and equality?  
Or when my car is hooked up, you know you wanna follow me  
Your laws are minimal  
'Cause you won't even think about lookin' at the real criminal  
This has got to cease  
'Cause we be gettin' hyped to the sound of da police

Woop-woop, that's the sound of da police  
Woop-woop, that's the sound of da beast  
Woop-woop, that's the sound of da police  
Woop-woop, that's the sound of da beast

Now here's a likkle truth, open up your eye  
While you're checkin' out the boom-bap, check the exercise  
Take the word overseer, like a sample  
Repeat it very quickly in a crew, for example  
Overseer, overseer, overseer, overseer  
Officer, officer, officer, officer  
Yeah, officer from overseer  
You need a little clarity? Check the similarity

The overseer rode around the plantation

Now here's a little truth  
Open up your eye  
While you're checking out the boom-bap, check the exercise  
Take the word overseer, like a sample

The overseer rode around the plantation

The officer is off, patrollin' all the nation  
 The overseer could stop you, "what you're doin'?"  
 The officer will pull you over just when he's pursuin'  
 The overseer had the right to get ill  
 And if you fought back, the overseer had the right to kill  
 The officer has the right to arrest  
 And if you fight back they put a hole in your chest (woop)  
 They both ride horses  
 After 400 years, I've got no choices  
 The police them have a likkle gun  
 So when I'm on the streets, I walk around with a bigger one (woop-woop)  
 I hear it all day  
 Just so they can run the light and be upon their way

Yes indeed  
 Yes indeed  
 Yes indeed  
 Yes indeed

Woop-woop, that's the sound of da police  
 Woop-woop, that's the sound of da beast  
 Woop-woop, that's the sound of da police  
 Woop-woop, that's the sound of da beast

Check out the message in a rough stylee  
 The real criminal are the C-O-P  
 You check for undercover and the one P.D  
 But just a mere Black man, them wan' check me  
 Them check out me car, for it shine like the sun  
 But them jealous or them vexed, 'cause them can't afford one  
 Black people still slaves up 'til today  
 But the Black police officer nyah see it that way  
 Him want a salary, him want it  
 So he put on a badge and kill people for it  
 My grandfather had to deal with the cops  
 My great-grandfather dealt with the cops  
 My great-grandfather had to deal with the cops  
 And then my great, great, great, great, when it's gonna stop?

I turn the music up  
I'm on a roll this time  
And heaven is in sight

I turn the music up, I got my records on  
From underneath the rubble sing a rebel song  
Don't want to see another generation drop  
I'd rather be a comma than a full stop

Maybe I'm in the black, maybe I'm on my knees  
Maybe I'm in the gap between the two trapezes  
But my heart is beating and my pulses start  
Cathedrals in my heart

As we saw ohh, this light I swear you, emerge  
blinking into  
To tell me it's alright  
As we soar walls, every siren is a symphony  
And every tear's a waterfall  
Is a waterfall  
Oh  
Is a waterfall  
Oh-oh-oh  
Is a is a waterfall  
Every tear  
Is a waterfall  
Oh-oh-oh

So you can hurt, hurt me bad  
But still I'll raise the flag

Oh  
It was a wa-wa wa-wa wa-aterfall  
A wa-wa wa-wa wa-aterfall

Every tear  
Every tear  
Every teardrop is a waterfall

Every tear  
Every tear  
Every teardrop is a waterfall

Every tear  
Every tear  
Every teardrop is a waterfall

I turn the music up, I'm on a roll this time

Cathedrals in my heart

As we saw oh this light I swear you'll emerge  
brighter than a star  
I'll be seeing you when it's said and done  
Every teardrop is a waterfall

So you can hurt, hurt me bad  
But still I'll raise the flag

Oh it was a wa-wa wa-wa water wa-wa-wa-wa-  
waterfall

11597 - "Parents Just Don't Understand" by DJ Jazzy Jeff & The Fresh Prince

LyricFind	Claude
<p>You know parents are the same No matter time nor place They don't understand that us kids Are going to make some mistakes So to you, all the kids all across the land</p>	

There's no need to argue  
Parents just don't understand  
"Parents" 24 lines, 734 characters.

I remember one year  
My mom took me school shopping  
It was me, my brother, my mom, oh, my pop,  
and my little sister  
All hopped in the car  
We headed downtown to the Gallery Mall  
MY mom started bugging with the clothes she  
chose  
I didn't say nothing at first  
I just turned up my nose  
She said, "What's wrong? This shirt cost \$20"  
I said, "Mom, this shirt is plaid with a butterfly  
collar!"  
The next half hour was the same old thing  
My mother buying me clothes from 1963  
And then she lost her mind and did the ultimate  
I asked her for Adidas and she bought me Zips!  
I said, "Mom, what are you doing, you're  
ruining my rep"  
She said, "You're only sixteen, you don't have a  
rep yet"  
I said, "Mom, let's put these clothes back,  
please"  
She said "no, you go to school to learn not for a  
fashion show"  
I said, "This isn't Sha Na Na, come on Mom, I'm  
not Bowzer  
Mom, please put back the bell-bottom Brady  
Bunch trousers  
But if you don't want to I can live with that but  
You gotta put back the double-knit reversible  
slacks"  
She wasn't moved - everything stayed the same  
Inevitably the first day of school came  
I thought I could get over, I tried to play sick  
But my mom said, "No, no way, uh-uh, forget it"  
There was nothing I could do, I tried to relax  
I got dressed up in those ancient artifacts  
And when I walked into school, it was just as I  
thought  
The kids were cracking up laughing at the  
clothes Mom bought  
And those who weren't laughing still had a ball  
Because they were pointing and whispering  
As I walked down the hall

I got home and told my Mom how my day went  
She said, "If they were laughing you don't need  
the,  
"Cause they're not good friends"  
For the next six hours I tried to explain to my  
Mom  
That I was gonna have to go through this about  
200 more times  
So to you all the kids all across the land  
There's no need to argue  
Parents just don't understand

OK, here's the situation  
"parents" 68 lines, 2662 characters.  
My parents went away on a week's vacation  
and  
They left the keys to the brand new Porsche  
Would they mind?  
Umm, well, of course not  
I'll just take it for a little spin  
And maybe show it off to a couple of friends  
I'll just cruise it around the neighborhood  
Well, maybe I shouldn't  
Yeah, of course I should  
Pay attention, here's the thick of the plot  
I pulled up to the corner at the end of my block  
That's when I saw this beautiful girlie girl  
walking  
I picked up my car phone to perpetrate like I  
was talking  
You should've seen this girl's bodily  
dimensions  
I honked my horn just to get her attention  
She said, "Was that for me?"  
I said, "Yeah"  
She said, "Why?"  
I said, "Come on and take a ride with a helluva  
guy"  
She said, "How do I know you're not sick?  
You could be some deranged lunatic"  
I said, "see 'mon toots, my name is the Prince  
Beside, would a lunatic have a Porsche like  
this?"  
She agreed and we were on our way  
She was looking very good and so was I, I must  
say - word  
We hit McDonald's, pulled into the drive  
We ordered two Big Macs and two large fries  
with Cokes

My parents went away on a week's vacation  
and  
They left the keys to the brand new Porsche  
Would they mind?

She was looking very good and so was I, I must  
say - word  
We hit McDonald's, pulled into the drive  
We ordered two Big Macs and two large fries  
with Cokes

She kicked her shoes off onto the floor  
 She said, "Drive fast, speed turns me on"  
 She put her hand on my knee, I put my foot on  
 the gas  
 We almost got whiplash, I took off so fast  
 The sun roof was open , the music was high  
 And this girl's hand was steadily moving up my  
 thigh  
 She had opened up three buttons on her shirt  
 so far  
 I guess that's why I didn't notice that police car  
 We're doing ninety in my Mom's new Porsche  
 And to make this long story short - short  
 When the cop pulled me over I was scared as  
 hell  
 I said, "I don't have a license but I drive very  
 well, officer"  
 I almost had a heart attack that day  
 Come to find out the girl was a twelve-year-old  
 runaway  
 I was arrested, the car was impounded  
 There was no way for me to avoid being  
 grounded  
 My parents had to come off from vacation to get  
 me  
 I'd rather be in jail than to have my father hit  
 me  
 My parents walked in  
 I got my grip, I said, "Ah, Mom, Dad, how was  
 your trip?"  
 They didn't speak  
 I said, "I want to plead my case"  
 But my father just shoved me in the car by my  
 face  
 That was a hard ride home, I don't know how I  
 survived  
 They took turns -  
 One would beat me while the other one was  
 driving  
 I can't believe it, I just made a mistake  
 Well parents are the same no matter time nor  
 place  
 So to you all the kids all across the land  
 Take it form me  
 Parents just don't understand

She kicked her shoes off onto the floor

 I guess that's why I didn't notice that police car  
 We're doing 90 in my Mom's new Porsche  
 And to make this long story short - short  
 When the cop pulled me over I was scared as

 I said, "I don't have a license but I drive very

11696 - "Who We Are" by Imagine Dragons

LyricFind	Claude
<p>Up in the morning,  Up in the evening,  Picking down talks when the birds get back to me.  Oh, to me.</p> <p>Up on the mountain,  Down in the king's lair,  Pushing these boxes in the heat of the afternoon.  Oh, afternoon.</p>	

We were never welcome here,  
We were never welcome here at all.  
No.

It's who we are,  
Doesn't matter if we've gone too far,  
Doesn't matter if it's all okay,  
Doesn't matter if it's not our day.

Save us,  
What we are,  
Don't look clear,  
It's all uphill from here.  
Ooh.

Up in the attic,  
Down in the cellar,  
Lost in a static,  
Coming back for more.  
Oh, for more.

Out with the reason,  
In with the season,  
Taking down names in my book of jealousy.  
Jealousy.

We were never welcome here.  
We were never welcome here at all.  
No.

It's who we are,  
Doesn't matter if we've gone too far,  
Doesn't matter if it's all okay,  
Doesn't matter if it's not our day.  
Because it's who we are,  
Doesn't matter if we've gone too far,  
Doesn't matter if it's all okay,  
Doesn't matter if it's not our day.

Save us,  
What we are,  
Don't look clear,  
It's all uphill from here.  
Ooh.

They say we're crazy.  
They say we're crazy.  
They say we're crazy.  
They say we're crazy.

We were never welcome here  
We were never welcome here at all  
No.

It's who we are  
Doesn't matter if we've gone too far  
Doesn't matter if it's all okay  
Doesn't matter if it's not our day

So won't you save us  
What we are  
Don't look clear 'cause it's all uphill from here  
Ooh.

It's who we are  
Doesn't matter if we've gone too far  
It doesn't matter if it's all okay  
Doesn't matter if it's not our day  
Because it's who we are  
Doesn't matter if we've gone too far  
Doesn't matter if it's all okay  
Doesn't matter if it's not our day

So won't you save us  
What we are

I'm driving fast now  
Don't think I know how to go slow  
Oh where you at now?  
I feel around  
There you are

Cool these engines  
Calm these jets  
I ask you how hot can it get?  
And as you wipe off beads of sweat  
Slowly you say I'm not there yet

I know I don't know you  
But I want you so bad  
Everyone has a secret  
Oh, can they keep it?  
Oh, no, they can't

I know I don't know you  
But I want you so bad  
Everyone has a secret  
Oh but can they keep it?  
Oh, no they can't (no, no, no, oh, oh, oh, yeah,  
yeah, yeah)

I'm driving fast now  
Don't think I know how to go slow  
Where you at now?  
I feel around  
There you are

Cool these engines  
Calm these jets  
I ask you how hot can it get  
And as you wipe beads of sweat  
Slowly you say "I'm not there yet"

I know I don't know you  
But I want you so bad  
Everyone has a secret  
Oh, can they keep it?  
Oh no, they can't

I'm driving fast now  
Don't think I know how to go slow  
Where you at now?  
I feel around  
There you are

You building up my  
Super blood pressure  
Can't tear myself away  
Baby, what's your address?

I need your remedy  
Don't want to be rude  
But I got to tell you  
What I got to do

I know I don't know you  
But I want you so bad  
Everyone has a secret  
Oh, can they keep it?  
Oh no, they can't

I'm driving fast now  
Don't think I know how to go slow  
Where you at now?  
I feel around  
There you are

Bird fly high by the light of the moon,  
Oh, oh, oh, Jokerman

Well, the Book of Leviticus and Deuteronomy,  
The law of the jungle and the sea are your only  
teachers

In the smoke of the twilight on a milk-white  
steed,

Michelangelo indeed could've carved out your  
features

Resting in the fields, far from the turbulent  
space,

Half asleep near the stars with a small dog  
licking your face

Jokerman dance to the nightingale tune,  
Bird fly high by the light of the moon,  
Oh, oh, oh, Jokerman

Well, the rifleman's stalking the sick and the  
lame,

Preacherman seeks the same, who'll get there  
first is uncertain

Nightsticks and water cannons, tear gas,  
padlocks,

Molotov cocktails and rocks behind every  
curtain,

False-hearted judges dying in the webs that  
they spin,

Only a matter of time 'til night comes steppin'  
in

Jokerman dance to the nightingale tune,  
Bird fly high by the light of the moon,  
Oh, oh, oh, Jokerman

It's a shadowy world, skies are slippery gray,  
A woman just gave birth to a prince today and  
dressed him in scarlet

He'll put the priest in his pocket, put the blade  
to the heat,

Take the motherless children off the street  
And place them at the feet of a harlot

Oh, Jokerman, you know what he wants,

Oh, Jokerman, you don't show any response

"Shit think, shit think, shit quick, put me in the closet"  
And now I'm in this darkest closet, tryin' to figure out  
Just how I'm gonna get my crazy ass up out this house

Then he walks in and yells, "I'm home"  
She says, "Honey, I'm in the room"  
He walks in there with a smile on his face  
Sayin', "Honey, I've been missin' you"  
She hops all over him  
And says, "I've cooked and ran your bath water"  
I'm tellin' you now, this girl's so good that she deserves an Oscar

Throws her in the bed  
And start to snatchin' her clothes off  
I'm in the closet, like man, what the fuck is going on?  
You're not gonna believe it  
But things get deeper as the story goes on  
Next thing you know, a call comes through on my cell phone  
I tried my best to quickly put it on vibrate  
But from the way he act, I could tell it was too late  
He hopped up and said, "There's a mystery going on  
And I'm gonna solve it"  
And I'm like, "God please, don't let this man open this closet"

He walks in the bathroom  
And looks behind the door  
She says, "Baby, come back to bed"  
He says, "Bitch, say no more"  
He pulls back the shower curtain  
While she's biting her nails  
Then he walks back to the room  
Right now, I'm sweating like hell  
Checks under the bed  
Then under the dresser  
He looks at the closet  
I pull out my Beretta  
He walks up to the closet  
Get close up to the closet  
Now he's at the closet

<p>My Dearest son, it's almost June I hope this letter catches up with you And finds you well It's been dry But they're callin' for rain And everything's the same old same In Johnsonville Your stubborn old daddy Ain't said too much But I'm sure you know He sends his love</p>	<p>My dearest son, it's almost June I hope this letter catches up with you And finds you well, it's been dry but they're callin' for rain And everything's the same ol' same in Johnsonville Your stubborn ol' daddy ain't said too much But I'm sure you know he sends his love</p>

And she goes on  
In a letter from home

I hold it up and show my buddies  
Like we ain't scared  
And our boots ain't muddy  
And they all laugh  
Like there's something funny  
'Bout the way I talk  
When I say, "Mamma sends her best, y'all"

I fold it up and put it in my shirt  
Pick up my gun and get back to work  
And it keeps me drivin' on  
Waitin' on letters from home

My dearest love, it's almost dawn  
I've been lyin' here all night long  
Wonderin' where you might be  
I saw your mamma  
And I showed her the ring  
Man on the television  
Said something  
So I couldn't sleep  
But I'll be alright,  
I'm just missin' you  
And this is me kissin' you  
X's and O's in a letter from home

I hold it up and show my buddies  
Like we ain't scared  
And our boots ain't muddy  
And they all laugh  
'Cause she calls me honey,  
But they take it hard  
'Cause I don't read the good parts

I fold it up and put it in my shirt  
Pick up my gun and get back to work  
And it keeps me drivin' on  
Waitin' on letters from home

Dear son, I know I ain't written  
I'm Sittin' here tonight alone in the kitchen  
It occurs to me  
I might not have said it  
So I'll say it now  
"Son, You make me proud"

And she goes on, in a letter from home

I hold it up and show my buddies  
Like we ain't scared and our boots ain't muddy  
And they all laugh, like there's something funny

When I say: "Mama sends her best y'all."

Pick up my gun and get back to work  
And it keeps me drivin' on, waitin' on  
Letters from home

My dear son, it's almost dawn  
I've been up all night, longin' for the day  
That God lets me see your face  
And they tell me we're leaving soon  
Oh your daddy's so proud, your mama's scared  
to death  
I will pray every day you come back safe  
And she goes on, in a letter from home

I hold it up and show my buddies  
Like we ain't scared and our boots ain't muddy  
And they all laugh, cause she calls me "Honey"  
But they take it hard, cause I don't read the  
good parts out loud

I fold it up and put it in my shirt

of  
If this is what I call home, why does it feel so  
alone  
So tell me darling, do you wish we'd fall in love?  
All the time, all the time

Can you believe that the crew has gone  
**And** wouldn't let me sign on?  
All my islands have sunk  
**I**n the deep, so I can hardly relax  
**Or** even oversleep  
I feel as if I were home, some nights  
**When** we count all the ship lights  
I guess **I'll never know**  
Why sparrows love the snow  
We'll turn off all of the lights  
And set this ballroom aglow

(So tell me darling do you wish we'd fall in  
love? All the time)

Time together **isn't** never quite enough  
When you and I are alone  
I've never felt so at home  
What will it take to make or break this hint of  
love?  
We need time, only time  
When we're apart whatever are you thinking  
of?  
If this is what I call home, why does it feel so  
alone?  
So tell me darling, do you wish we'd fall in love?  
All the time, all the time

Time together is just never quite enough

I guess **we're alike, you and I**  
**Both familiar with good-byes**

Time together **is just** never quite enough

home

<p>Ain't it just like the night to play tricks when you're tryin' to be so quiet? We sit here stranded, though we're all doin' our best to deny it And Louise holds a handful of rain, temptin' you to defy it Lights flicker from the opposite loft In this room the heat pipes just cough The country music station plays soft But there's nothing, really nothing to turn off Just Louise and her lover so entwined And these visions of Johanna that conquer my mind</p> <p>In the empty lot where the ladies play blindman's bluff with the key chain And the all-night girls they whisper of escapades out on the "D" train We can hear the night watchman click his flashlight Ask himself if it's him or them that's insane Louise, she's all right, she's just near She's delicate and seems like the mirror But she just makes it all too concise and too clear That Johanna's not here The ghost of 'lectricity howls in the bones of her face Where these visions of Johanna have now taken my place</p> <p>Now, little boy lost, he takes himself so seriously He brags of his misery, he likes to live dangerously And when bringing her name up He speaks of a farewell kiss to me He's sure got a lotta gall to be so useless and all Muttering small talk at the wall while I'm in the hall How can I explain? It's so hard to get on And these visions of Johanna, they kept me up past the dawn</p>	<p>Ain't it just like the night to play tricks when you're tryin' to be so quiet? <p>Inside the museums, infinity goes up on trial  Voices echo this is what salvation must be like  after a while  But Mona Lisa musta had the highway blues  You can tell by the way she smiles  See the primitive wallflower freeze  When the jelly-faced women all sneeze  Hear the one with the mustache say, "Jeez, I  can't find my knees"  Oh, jewels and binoculars hang from the head  of the mule  But these visions of Johanna, they make it all  seem so cruel</p> <p>The peddler now speaks to the countess who's  pretending to care for him  Sayin', "Name me someone that's not a parasite  and I'll go out and say a prayer for him"  But like Louise always says  "Ya can't look at much, can ya man?"  As she, herself, prepares for him  And Madonna, she still has not showed  We see this empty cage now corrode  Where her cape of the stage once had flowed  The fiddler, he now steps to the road  He writes ev'rything's been returned which  was owed  On the back of the fish truck that loads  While my conscience explodes  The harmonicas play the skeleton keys and the  rain  And these visions of Johanna are now all that  remain</p>	<p>I see Louise up on top of the stairs  She's looking down to the soundtrack that's  playing  As the cricketers sit in the room fidgety,  waiting  They know that something is happening but  they don't know what it is  Do they, Johanna?</p> <p>The peddler now speaks to the countess who's  pretending to care for him  Sayin', "Name me someone that's not a parasite  and I'll go out and say a prayer for him"  But like Louise always says  "Ya can't look at much, can ya man?"  As all the lonesome singers blowin' down the  mountain like a cool breeze</p> <p>Now, little boy lost, he takes himself so  seriously  He brags of his misery, he likes to live  dangerously  And when bringing her name up  He speaks of a farewell tour of a darkness that  comes without any warning  Where the maidens are fragile and the spell  most uncertain  Oh, mother, tell your children not to do what I  have done  Spend your time in the mountains, not digging  for my bones</p>

I still feel so alone  
I just can't give you anything  
For you to call your own

And I can feel you breathing  
And it's keeping me awake  
Can you feel it beating?  
My heart sinking like a weight

Something I've been keeping locked away  
Behind my lips  
I can feel it breaking free  
With each and every kiss  
I couldn't bear to hurt you  
But it's all so different now  
Things that I was sure of  
They have filled me up with doubt

And I can feel you breathing  
And it's keeping me awake  
Can you feel it beating?  
My heart sinking like a weight

I can feel you breathing  
It's keeping me awake  
Could you stop my heart?  
It's always beating  
Sinking like a weight  
How am I supposed to feel about the things I've  
done  
I don't know if I should stay or turn around and  
run  
I know that I hurt you  
Things will never be the same  
The only love I ever knew, I threw it all away

heart

And nothing breaks like a heart

I heard you on the phone last night  
We live and die by pretty lies  
You know it, oh, we both know it  
These silver bullet cigarettes  
This burning house, there's nothing left  
It's smoking, we both know it  
We got all night to fall in love  
But just like that we fall apart  
We're broken, we're broken

Mmm, well, nothing, nothing, nothing gon' save  
us now

Well, there's broken silence  
By thunder crashing in the dark (crash in the  
dark)  
And this broken record  
Spin endless circles in the bar (spin 'round in  
the bar)  
This world can hurt you  
It cuts you deep and leaves a scar  
Things fall apart, but nothing breaks like a  
heart  
Mmm, and nothing breaks like a heart

We'll leave each other cold as ice  
And high and dry, the desert wind  
Is blowin', is blowin'  
Remember what you said to me?  
We were drunk in love in Tennessee  
And I hold it, we both know it

Mmm, that nothing, nothing, nothing gon' save  
us now  
Nothing, nothing, nothing gon' save us now

Well, there's broken silence

How do we call this love  
I tried, to run away but your eyes (woah-oh-oh-oh)

Tell me to stay, oh why  
Why do we call this love? (Woah-oh-oh-oh)

It seems like we've been losing control  
Somebody tell me I'm not alone

Me and my broken heart

Uh, maybe some part of you just hates me  
You pick me up and play me  
How do we call this love? (Woah-oh-oh-oh)  
One time tell me you need me tonight  
To make it easy, you lie  
And say it's all for love (woah-oh-oh-oh)

But you just gave it away

You can't expect me to be fine  
I don't expect you to care  
I know I've said it before  
But all of our bridges burned down

I've wasted my nights  
You turned out the lights  
Now I'm paralyzed  
Still stuck in that time  
When we called it love  
But even the sun sets in paradise

I'm at a payphone trying to call home  
All of my change I spent on you  
Where have the times gone, baby it's all wrong  
Where are the plans we made for two?

If Happy Ever Afters did exist  
I would still be holding you like this  
All those fairy tales are full of shit  
One more fucking love song, I'll be sick  
Now I'm at a payphone

Man, fuck that shit  
I'll be out spending all this money  
While you're sitting round wondering  
Why it wasn't you who came up from nothing  
Made it from the bottom  
Now when you see me I'm stunting  
And all of my cars start with a push of a button

Telling me the chances I blew up  
Or whatever you call it  
Switch the number to my phone  
So you never could call it  
Don't need my name on my show  
You can tell it I'm ballin'

Swish, what a shame could have got picked  
Had a really good game but you missed your  
last shot  
So you talk about who you see at the top  
Or what you could have saw but sad to say it's  
over for  
Phantom pulled up valet open doors  
Wished I'd go away, got what you was looking  
for

But you just gave it away

You can't expect me to be fine  
I don't expect you to care  
I know I've said it before  
But all of our bridges burned down

I've wasted my nights  
You turned out the lights  
Now I'm paralyzed  
Still stuck in that time when we called it love  
But even the sun sets in paradise

I'm at a payphone trying to call home

All those fairytales are full of it  
One more stupid love song, I'll be sick  
Now I'm at a payphone

I'd sing it softly in your ear and grab you by the hand

Oh, oh, oh, oh

Oh, to my stereo

Oh, oh, oh

If I was an old-school, fifty-pound boombox (remember them?)

Would you hold me on your shoulder, wherever you walk?

Would you turn my volume up in front of the cops? (Turn it up)

And crank it higher every time they told you to stop

And all I ask is that you don't get mad at me (mad at me)

When you have to purchase mad D batteries (batteries)

Appreciate every mixtape your friends make (friends make)

You never know, we come and go like on the interstate (never know)

I think finally found a note to make you understand

If you can hit it, sing along and take me by the hand

Just keep me stuck inside your head like your favorite tune

You wanted control so we waited  
I put on a show now we're naked  
You say I'm a kid, my ego is big  
I don't give a shit  
And it goes like this

Take me by the tongue and I'll know you  
Uh, kiss me 'til you're drunk and I'll show you  
All the moves like Jagger  
I've got the moves like Jagger  
I've got the moves like Jagger

Uh, I don't need to try to control you  
Uh, look into my eyes and I'll own you  
With them moves like Jagger  
I've got the moves like Jagger  
I've got the moves like Jagger

Baby it's hard when you feel like  
You're broken and scarred  
Nothing feels right, but when you're with me  
I make you believe that I've got the key

Oh, so get in the car we can ride it  
Wherever you want get inside it  
And you want to steer, but I'm shifting gear  
I'll take it from here  
Oh yeah yeah, and it goes like this

Take me by the tongue and I'll know you  
Uh, kiss me 'til you're drunk and I'll show you  
All the moves like Jagger  
I've got the moves like Jagger  
I've got the moves like Jagger (ooh)

Uh, I don't need to try to control you (oh yeah)

I swear I'll behave

Ended up online  
I'm screwed  
Oh well  
It's a blacked out blur  
But I'm pretty sure it ruled  
Damn

Last Friday night  
Yeah, we danced on tabletops  
And we took too many shots  
Think we kissed, but I forgot

Last Friday night  
Yeah, we maxed our credit cards  
And got kicked out of the bar  
So we hit the boulevard

Last Friday night  
We went streaking in the park  
Skinny dipping in the dark  
Then had a mZnage ^ trois  
Last Friday night  
Yeah, I think we broke the law  
Always say we're gonna stop-op  
Oh whoa

This Friday night  
Do it all again  
This Friday night  
Do it all again

Trying to connect the dots  
Don't know what to tell my boss  
Think the city towed my car  
Chandelier is on the floor  
Ripped my favorite party dress  
Warrant's out for my arrest  
Think I need a ginger ale  
That was such an epic fail

If I could meet 'em, I could get 'em  
But as yet I haven't met 'em  
That's why I'm in the shape I'm in

Another Saturday night that I ain't got nobody  
I got some money 'cause I just got paid  
Now, how I wish I had someone to talk to  
I'm in an awful way

Now, another fella told me  
He had a sister who looked just fine  
Instead of being my deliverance  
She had a strange resemblance  
To a cat named Frankenstein

Here, another Saturday night that I ain't got  
nobody  
I got some money 'cause I just got paid  
Now, how I wish I had some chick to talk to  
I'm in an awful way, yeah

Here it is, another weekend  
I ain't got nobody  
Man if I was back home, I'd be swingin'  
Two chicks on my arm, aww yeah  
Listen to me, huh

It's hard on a fella  
When he don't know his way around  
If I don't find me a honey  
To help me spend my money  
I'm gonna have to blow this town

Here it's another Saturday night and I ain't got  
nobody  
I got some money 'cause I just got paid  
Now, how I wish I had some chick to talk to  
I'm in an awful, everybody sing

Another Saturday night and I ain't got nobody  
I got some money 'cause I just got paid  
Now, how I wish I had someone to talk to  
I'm in an awful, one more time

Another Saturday night and I ain't got nobody  
I got some money 'cause I just got paid  
Now, how I wish I had some chick to talk to  
I'm in an awful, sounding mighty good  
Another Saturday night

If I could meet 'em I could get 'em  
But as yet I haven't met 'em  
That's why I'm in the shape I'm in

Another Saturday night and I ain't got nobody  
I got some money 'cause I just got paid  
How I wish I had someone to talk to  
I'm in an awful way

Another fella told me he had a sister  
Who looked just fine instead of being my mister  
Why she had a boyfriend though  
I got a feeling she thinks I'm nice  
Just because I'm not inclined to vice

Another Saturday night and I ain't got nobody  
I got some money 'cause I just got paid  
How I wish I had someone to talk to  
I'm in an awful way

Another Saturday night and I ain't got nobody

myself  
'Cause I didn't know you, 'cause I didn't know  
me  
But I thought I knew everything  
I never felt

The feeling that I'm feeling  
Now that I don't hear your voice  
Or have your touch and kiss your lips  
'Cause I don't have a choice  
Oh, what I wouldn't give to have you lying by  
my side  
Right here, 'cause, baby (we belong together)

When you left I lost a part of me (together)  
It's still so hard to believe (come back, come  
back)  
Come back, baby, please (come back, come  
back)  
'Cause we belong together

Who else am I gon' lean on when times get  
rough?  
Who's gonna talk to me on the phone 'til the  
sun comes up?  
Who's gonna take your place? There ain't  
nobody better  
Oh, baby, baby, we belong together

I can't sleep at night  
When you are on my mind  
Bobby Womack's on the radio  
Singin' to me "If you think you're lonely now"  
Wait a minute, this is too deep (too deep)  
I gotta change the station  
So I turn the dial, trying to catch a break  
And then I hear Babyface  
I only think of you  
And it's breaking my heart  
I'm trying to keep it together  
But I'm falling apart

I'm feeling all out of my element  
I'm throwing things, cryin'  
Tryin' to figure out where the hell I went wrong  
The pain reflected in this song  
Ain't even half of what I'm feeling inside  
I need you, need you back in my life  
Baby (my life, my life)

12216 - "You Can't Always Get What You Want" by The Rolling Stones

LyricFind	Claude
<p>I saw her today at the reception  A glass of wine in her hand  I knew she would meet her connection  At her feet was her footloose man</p> <p>No, you can't always get what you want  You can't always get what you want  You can't always get what you want  But if you try sometime you'll find  You get what you need</p>	<p>I saw her today at the reception  A glass of wine in her hand  I knew she was gonna meet her connection  At her feet was her footloose man</p> <p>No, you can't always get what you want  You can't always get what you want  You can't always get what you want  But if you try sometimes you find  You get what you need</p>

I saw her today at the reception  
A glass of wine in her hand  
I knew she was gonna meet her connection  
At her feet was her footloose man

You can't always get what you want  
You can't always get what you want  
You can't always get what you want  
But if you try sometimes, well, you might find  
You get what you need

Ah, yeah

Oh

And I went down to the demonstration  
To get my fair share of abuse  
Singing, "We're gonna vent our frustration  
If we don't we're gonna blow a fifty-amp fuse"  
Sing it to me, honey

You can't always get what you want  
You can't always get what you want  
You can't always get what you want  
But if you try sometimes, well, you just might  
find

You get what you need

Ah baby, yeah

Ah

I went down to the Chelsea drugstore  
To get your prescription filled  
I was standing in line with Mr. Jimmy  
And, man, did he look pretty ill  
We decided that we would have a soda  
My favorite flavor, cherry red  
I sung my song to Mr. Jimmy  
Yeah, and he said one word to me, and that was  
"dead"  
I said to him

You can't always get what you want, well no  
You can't always get what you want, I tell you,  
baby

You can't always get what you want, no  
But if you try sometimes you just might find,  
uh, mm

You get what you need, oh yeah, woo!

Ah, woo!

I saw her today at the reception  
A glass of wine in her hand  
I knew she was gonna meet her connection  
At her feet was her footloose man

You can't always get what you want  
You can't always get what you want  
You can't always get what you want  
But if you try sometimes you might find  
You get what you need

Oh yeah, hey hey hey, oh...

And I went down to the demonstration  
To get my fair share of abuse  
Singing, "We're gonna vent our frustration  
If we don't we're gonna blow a 50-amp fuse"  
Sing it to me now...

You can't always get what you want  
You can't always get what you want  
You can't always get what you want  
But if you try sometimes, well, you just might  
find

You get what you need

Oh baby, yeah, yeah!

baby)

You can't always get what you want (no)  
But if you try sometimes you just might find  
You get what you need

Oh yes! Woo!

Go walking through the forest  
The birds above are singing you a chorus

Stop for a minute  
Baby, they're so glad you're mine, oh yeah  
And ever since the day you put my heart in motion  
Baby, I realize that there's just no getting over you

Baby, baby  
In any kind of weather  
I'm here for you, always and forever

Baby, baby  
No muscle man could sever  
My love for you is true and it will never

Stop for a minute  
Baby, I'm so glad you're mine  
And ever since the day you put my heart in motion  
Baby, I realize there's just no getting over you

And ever since the day you put my heart in motion  
Baby, I realize that there's just no getting over you  
Over you

Baby, baby  
Always and forever

Here for you, baby  
So glad you're mine  
Baby, I'm so glad that  
When I think about you, it makes me smile

Baby, baby  
In anything you ask me to  
I'll do it for you

Baby, baby  
For every little kiss you give me  
I'll give you three, oh

Stop for a minute  
Baby, I'm so glad you're mine

Baby, baby  
Let's go walking in the sunshine  
Girl, I want you morning, noon, and dinner time

Baby, baby  
You're the only one that I adore  
Come into my arms and honey let me keep you warm

Stop for a minute  
Baby, I'm so glad you're mine

I, I can hardly think

You're a Good, Good Father

It's who you are, it's who you are, it's who you are

And I'm loved by you

It's who I am, it's who I am, it's who I am

You're a Good, Good Father

(You are perfect in all of your ways)

It's who you are, it's who you are, it's who you are

And I'm loved by you

(You are perfect in all of your ways)

It's who I am, it's who I am, it's who I am

12519 - "He Reigns" by Newsboys

LyricFind	Claude
-----------	--------

It's the song of the redeemed  
Rising from the African plain  
It's the song of the forgiven  
Drowning out the Amazon rain

The song of Asian believers  
Filled with God's holy fire  
It's every tribe, every tongue, every nation  
A love song born of a grateful choir

It's all God's children singing  
Glory, glory, hallelujah  
He reigns, He reigns  
It's all God's children singing  
Glory, glory, hallelujah  
He reigns, He reigns

Let it rise above the four winds  
Caught up in the heavenly sound  
Let praises echo from the towers of cathedrals  
To the faithful gathered underground

Of all the songs sung from the dawn of creation  
Some were meant to persist  
Of all the bells rung from a thousand steeples  
None rings truer than this

It's all God's children singing  
Glory, glory, hallelujah  
He reigns, He reigns  
It's all God's children singing  
Glory, glory, hallelujah  
He reigns, He reigns

It's all God's children singing  
Glory, glory, hallelujah  
He reigns, He reigns (He reigns)  
It's all God's children singing  
Glory, glory, hallelujah  
He reigns, He reigns (He reigns)

And all the powers of darkness  
Tremble at what they've just heard  
'Cause all the powers of darkness  
Can't drown out a single word

When all God's children sing out  
Glory, glory, hallelujah  
He reigns, He reigns (He reigns)

12565 - "Let You Down" by NF

<p>It's like we're on the edge right now I wish that I could say I'm proud I'm sorry that I let you down Let you down</p> <p>All these voices in my head get loud I wish that I could shut them out I'm sorry that I let you down L-I-let you down</p> <p>Yeah, I guess I'm a disappointment Doing everything I can, I don't wanna make you disappointed</p>	<p>Feels like we're on the edge right now I wish that I could say I'm proud I'm sorry that I let you down Let you down</p> <p>All these voices in my head get loud I wish that I could shut them out I'm sorry that I let you down Let you down</p> <p>Yeah, I guess I'm a disappointment Doing everything I can, I don't wanna make you disappointed</p>

It's annoying  
I just wanna make you feel like everything I  
ever did wasn't ever tryna make an issue for  
you  
But, I guess the more you  
Thought about everything, you were never  
even wrong in the first place, right?  
Yeah, I'ma just ignore you  
Walking towards you, with my head down,  
lookin' at the ground, I'm embarrassed for you  
Paranoia, what did I do wrong this time? That's  
parents for you  
Very loyal?  
Shoulda had my back, but you put a knife in it,  
my hands are full  
What else should I carry for you?  
I cared for you, but

It's like we're on the edge right now  
I wish that I could say I'm proud  
I'm sorry that I let you down  
L-l-let you down

All these voices in my head get loud  
I wish that I could shut them out  
I'm sorry that I let you down  
L-l-let you down

Yeah, you don't wanna make this work  
You just wanna make this worse  
Want me to listen to you  
But you don't ever hear my words  
You don't wanna know my hurt, yet  
Let me guess you want an apology, probably  
How can we keep going at a rate like this?  
We can't, so I guess I'ma have to leave  
Please don't come after me  
I just wanna be alone right now, I don't really  
wanna think at all  
Go ahead, just drink it off  
Both know you're gonna call tomorrow like  
nothing's wrong  
Ain't that what you always do?  
I feel like every time I talk to you, you're in an  
awful mood  
What else can I offer you?  
There's nothing left right now, I gave it all to  
you

It's annoying, I just wanna make you feel like  
everything I ever did wasn't ever tryna make  
an issue for you

But, I got issues like you got tissues using 'em  
when shit happens

I'm so mad I'm losing it, I wanna break your  
fucking face in for no good reason

(Chorus)

Feels like we're on the edge right now  
I wish that I could say I'm proud  
I'm sorry that I let you down  
Let you down

All these voices in my head get loud  
I wish that I could shut them out  
I'm sorry that I let you down  
Let you down

Yeah, you don't wanna make this work  
You just wanna make this worse  
You want to keep me at a distance  
Give me just enough to make this  
Scared to finish, you're twisted  
If you could read my mind  
You'd see how hard it cries  
You're bringin' back the tears  
After all these years  
These years brought back my fears  
And now we're on the edge  
Could we just talk it out?  
Before I follow through?  
Can we just talk it out?  
Before I lose my head?

(Chorus)

Feels like we're on the edge right now  
I wish that I could say I'm proud

It's like we're on the edge right now  
I wish that I could say I'm proud  
I'm sorry that I let you down  
L-I-let you down

All these voices in my head get loud  
I wish that I could shut them out  
I'm sorry that I let you down  
L-I-let you down

Yeah, don't talk down to me  
That's not gonna work now  
Packed all my clothes and I moved out  
I don't even wanna go to your house  
Everytime I sit on that couch  
I feel like you lecture me  
Eventually, I bet that we  
Could have made this work and probably  
woulda figured things out  
But I guess that I'm a letdown  
But it's cool, I checked out  
Oh, you wanna be friends now?  
Okay, let's put my fake face on and pretend  
now  
Sit around and talk about the good times  
That didn't even happen  
I mean, why are you laughing?  
Must have missed that joke  
Let me see if I can find a reaction  
No, but at least you're happy

Feels like we're on the edge right now  
I wish that I could say I'm proud  
I'm sorry that I let you down  
Oh, I let you down

All these voices in my head get loud  
And I wish that I could shut them out  
I'm sorry that I let you down  
Oh, let you down

I'm sorry  
I'm so sorry now  
I'm sorry  
That I let you down

I'm sorry that I let you down  
Let you down

All these voices in my head get loud  
I wish that I could shut them out  
I'm sorry that I let you down  
Let you down
